

IMPORTANT HEALTH COVERAGE TAX DOCUMENTS

Under current IRS guidance and the Paperwork Burden Reduction Act, employers are no longer required to automatically mail Form 1095-C (Employer-Provided Health Insurance Offer and Coverage) to employees. Form 1095-C provides information about health coverage that was offered to you during the prior calendar year. Although this document is not required to be attached to your federal income tax return, you may still need or want it for your personal records. If you would like to receive a copy of your Form 1095-C, you may request one at no cost by contacting: Joseph Butler, 104 W Main St, Fillmore, NY 14735, 585-567-2259, jbutler@fillmorecsd.org. Upon request, the form will be provided to you within thirty (30) days. If you have any questions regarding this notice or your health coverage information, please contact the aforementioned contact person.”
