## LHEA Parent Newsletter

Welcome to this week's newsletter

Thank you for your support this week as we have worked hard to address the decline in the standard of the uniform worn by **some** of our students. It is an integral element of the school's identity and also a valuable tool in ensuring a sense of equality and equity within the school. Please do speak to us if there are financial challenges when it comes to buying the correct uniform but also, please make sure that you understand what the correct uniform is when you go to buy items.

Elsewhere in school this week, our Year 10 students had an enriching visit to Bucks University as part of their careers programme and Year 9 had a presentation from the author Matt Whyman.

Finally, a thank you to parents of Year 9 students who attended last night's Options Evening.

Chris Thomas
Headteacher

## Culture Curriculum at Lynch Hill Enterprise Academy

This week the culture curriculum has focused on every student being in full correct uniform. We would like to thank you for your support in ensuring your child is dressed smartly and wearing their uniform with pride. Please continue to support the school and your child with their presentation.

Next week we will focus on students entering the building from break and lunch, making this calm and safe, so our 887 students can move through the building purposefully. We will increase staff presence and deliver sessions on how to walk through the corridors, emphasising the following points:

- Check their timetable in their planner and know where they are going before moving to their next lesson
- Pack up equipment/finish ball games and start moving into the building within a minute of break and lunch ending.
- Walk on the left-hand side directly to their next lesson
- Walk in single file or pairs in corridors – but in no more than pairs to allow other to pass safely
- Talk in calm, kind voices

Please support your child and the school by going through these points together and discuss each one.

## Year 11 Focus- 16th March

### 1 minute challenge

Could be an exam question or something that has just been learnt. You need a partner.
Person A has to talk for 1 minute without stopping about the topic or exam question. Person B is the examiner and has to make notes on everything they say/miss out. After the minute is up, Person B tells Person A everything they missed! Then swap over!
Repeat a few hours later to make sure you remember more!

# Futures Day Visit to Buckinghamshire New University – 11th March

Our Year 10 students had an inspiring and activity-packed Futures Day at Buckinghamshire New University on Wednesday 11th March. The day was designed to help students explore higher education, understand university life, and begin thinking about their future pathways.

The visit began with a warm welcome from Student Ambassadors, followed by aseries of engaging sessions that introduced students to university study, courseoptions, and campus life. Activities included a university-themed bingo game, aKahoot quiz, and a lively drawing-and-acting challenge that helped students learnabout various courses and facilities in a fun, interactive way.

Students also enjoyed a full campus tour, visiting key areas such as the Students' Union, sports hall, music studios, and library. After lunch, they took part in budgeting tasks, timetable planning, and a "Graduate Poster" challenge that focused on personal strengths, skills and confidence-building.

At the end of the day, groups presented their posters and received feedback, as well as well-earned tokens for their teamwork, creativity and participation.
We are extremely proud of all students for representing the school so positively throughout the day.

Congratulations to our winning group of girls:

1. Shazfa C
2. Phebe K
3. Beessan M
4. Angelika O
5. Princess E
6. Nikkita B
7. Kynat B
