

ALLEN PARK PUBLIC SCHOOLS

Riley Education Center ▪ 9601 Vine, Allen Park, MI 48101 ▪ (313) 827-2150

...an uncompromising commitment to excellence

Thank you for joining us this evening. The Board of Education is the school district's governing body, whose chief role is that of setting policies and providing oversight of school district operations. Board meetings are actually legislative proceedings of critical importance. Therefore, in order to conduct its business in an orderly fashion, the Board of Education will follow an agenda previously prepared and available to you at the entrance.

Because the Board is very interested in hearing from the citizens it serves, comment cards are also available and should be completed and forwarded to the District Secretary (prior to the meeting) if you would like to address the Board (at the beginning of the meeting under citizens' comments) regarding a topic which appears on tonight's agenda. In the interest of maintaining the decorum of the Board's legitimate legislative function, we ask that you limit your presentation to three minutes. All other comments not pertaining to the agenda may be expressed at the end of the meeting (under citizens' comments).

Students representing APMS and APHS will report on school and student activities. Occasionally, staff members of the Allen Park Public Schools will attend to provide specific information to the Board of Education.

We hope your attendance tonight will prove informative. We appreciate your presence and welcome your participation!
