

WORKING TOGETHER – with Hornet Pride!

March 16, 2026

Dear New Lothrop Families,

At New Lothrop Area Public Schools, we are committed to continuous improvement and providing the best possible educational experience for our students. An important part of that process is gathering meaningful feedback from the people who know our schools best: our families.

We invite you to complete our **Parent Perception Survey** to share your experiences and perspectives about our schools. Your feedback is extremely valuable and helps us better understand what we are doing well and where we have opportunities to grow. This information will be reviewed by our district and building leadership teams and will play an important role in guiding future planning and improvement efforts.

The feedback we receive from parents, along with input from staff and students, allows us to make thoughtful, informed decisions about how to best serve our students and strengthen our school community.

The survey takes approximately 5–10 minutes to complete and will remain open until Friday, March 27th. If you have children in multiple buildings, we encourage you to complete the survey for each building your child attends.

We truly value your partnership and appreciate you taking the time to share your thoughts with us. Your voice helps shape the future of New Lothrop Area Public Schools.

Thank you for your continued support of our students and schools.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jay Larner'.

Jay Larner
Superintendent
New Lothrop Area Public Schools
