Note: Based on the comprehensive evaluation of proposals submitted in response to RFP #2025-05-26, Tutored by Teachers, Inc. is recommended for award. This vendor's proposal received the highest overall score when the individual scores from all seven (7) evaluators were totaled and the average score was calculated. The proposal demonstrated strong alignment with the RFP requirements, including a research-based high-impact tutoring model, the use of certified and experienced educators, a proven record of improving ELA and English II outcomes, and prior successful implementation with Jackson Public School District students. The vendor also showed capacity to scale services, provide robust data reporting, and deliver instruction aligned with Mississippi College- and Career-Readiness Standards.
