

# SCHOOL YEAR CARE

ActivKids Before & After Care is for students at CCSD93 schools in kindergarten through 5th grade. Participants enjoy games, crafts, sports, free play and time outside, as the weather allows, along with optional homework time.

REGISTER

### Registration

Advanced registration of seven days is required before your child's first attendance day. A minimum of four weeks' notice is required if your child needs one-on-one assistance from a WDSRA support staff. An automatic payment request form is required for all enrollments. Completion of e-PACT information is required prior to attending the Before & After School program. Returning participants must reconfirm all e-PACT information. If requesting registration within seven days, supervisor approval is required and a \$5 enrollment change/late registration fee per child is charged. However last minute changes cannot always be accommodated.

### Payment

A \$70 nonrefundable enrollment fee and your first month's payment are due at registration. All subsequent payments are drafted one month in advance from August-May. First scheduled payment is August 1. If registration occurs after August 1, two payments will be due up front. Payments vary from month to month based on the number of attendance days. Payment amounts and draft dates are listed on your receipt. Lack of payment will jeopardize participation in the program. View the parent handbook for additional policies and procedures.

### Schedules

Enrollment can begin at any time. Participants must sign up for the same schedule for the entire school year. Individual date selections are not permitted, however daily flex passes for occasional care are available. New enrollments, schedule changes, and withdrawals requested less than seven days in advance require supervisor approval and a late registration/enrollment change fee to be paid per child. A fee is applied for all schedule changes after the initial registration.

### Early release days: 3/4, 4/22, 5/20

The ActivKids program will begin at 12:00pm on these days. Separate registration is required for all participants. Participants must bring a packed lunch.

### Health and Safety Protocol

Participants must meet essential eligibility requirements. View the parent handbook for the most up-to-date information and our health and safety procedures.

### Snack

Snack is provided in After Care each day.

### School Closing & Program Cancellations

If CCSD93 announces an unscheduled late start, early dismissal, cancellation of all before/after school activities, or closes for any reason including weather, or emergency due to unforeseen circumstances, ActivKids Before and After School will also be canceled or closed. No credits are issued for these days. Fees are subject to change if additional school days get added. Fees will be applied accordingly.

Daily flex passes are available for occasional care. Just register for the individual dates your child will attend. Seven days advanced registration is required. Emergency flex passes may be available for an additional \$5, pending approval.

# SCHOOL YEAR CARE - DAYS OFF CLUB

For Grades K-6

Participants enjoy field trips, special events and theme days with crafts, games and sports.

Open to students of all school districts. Before and after care also offered. Register 3 days in advance to receive the best rates. Emergency information is required in ePACT prior to participation.

Location: Fountain View Recreation Center
