Professional Development

Faith and Community

As a GIFT to our staff, each classroom will receive thoughtfully chosen pieces, selected using feedback from teachers already experienced with this furniture.

Fruits of the Holy Spirit Awards honor our dedicated staff who inspire students to live and learn through faith by exemplifying the Fruits of the Holy Spirit.

Grants4Gabs empowers teachers to bring innovative ideas to life in their classrooms—made possible through your support.

Your support provides field trip subsidies for student and professional development for teachers—enriching learning inside and outside the classroom.

Your generosity supports Epiphany signs in every classroom, May Crowning, feast day celebrations, a schoolwide Halloween subscription, Virtues education materials, rosary-making supplies, and the Senior Walk.

**Thank you!**
