Beth: 5 year School Renewal Plan (required by SC)

JSM SIC performance goals:

1) decreasing Chronically Absent students from 18.4% to 8.8% by June 2028

truancy- applies to children who turn 6 or older during the school year and they've missed 3 consecutive unexcused days or 5 for the year

chronic absenteeism: student misses 10% of specified attendance period (for any reason besides medical leave)

- students can become CA but get off the list with improved attendance

Each goal includes an action plan to execute to actualize the goal

Math Goal

from June 2022 to June 2028 increase the percent of students scoring Meets or Exceeds on SC Ready Math

This year's goals:

MATH: (teachers are writing math-based performance goals for students)

(math and movie night again) Thursday October 16 (Beth Holbert OGAP speaker)

*can we record Beth's presentation and put in on our school or FB page?

Beth: describing math scavenger hunt where students give examples at different stations throughout school

- parent support: math games for home

Montessori Family Night: possibly fold in math scavenger hunt

Coffee with the Counselor

Beth: Anxious Generation book (how to incorporate some of the book's themes into school/home)

How to engage parents

- SIC challenge to give parents an activity to do with their child
- free range activities

- bingo card example
- 1000 Hours Outside (Instagram)
- Last Child in the Woods book
- Screenagers screening and discussion
- Wait until 8th Pledge (set a goal to increase participation)
