### PURPOSE

This Student Leadership Council promotes teamwork and collaboration between student leaders and District Administration. Through student voice and perspective, collaborative solutions can be developed to improve our schools and the overall educational experience for all MHS students.

### THE IDEAL CANDIDATE

Students who are:

- Focused on the needs of all learners
- Able to work collaboratively as a team
- Able to operate with respect and acceptance, embracing ideas of others
- Representative of our student population
- Articulate and expressive
- Solutions and action oriented
