

Every Moment Matters

Beginning in kindergarten, **daily student attendance** plays a critical role in the success of all Jaguars.

Did you know?

- Regular, consistent attendance helps students stay connected to their school community.
- **Every moment in the classroom is an opportunity to learn, build friendships, and feel a sense of belonging.**
- The daily routines your child develops will continue throughout their school years.

What you can do to ensure every moment matters

Before the school year starts

- Begin a countdown to the first day.
- Set a regular bedtime and morning routine.
- Attend scheduled events to get to know the school, teachers, and fellow students and families.

During the school year

- Lay out clothes and pack backpacks the night before.
- Schedule non-urgent medical appointments and extended trips for times when school is not in session.
- Reach out if your child seems anxious about going to school, or if you need support getting them to school consistently. We are your partners and are here to help.

Missing one or two days of school a week doesn't seem like much at first, but ...
