

The Road Less Traveled Scholarship

Inspired by the life and spirit of Jacob Heck, a Franklin Monroe graduate who passed shortly after, the FM Student Council started a scholarship in Jacob's memory. This award honors a FM student who lives enthusiastically, gives without expectation, loves peers unconditionally and strives to make a difference, as Jacob did. As a class president, varsity athlete, church youth leader and community giver, Jacob took the Road Less Traveled to make life better for others. This \$400 one-time scholarship is named in his honor.
