Title
 School Board Member Appreciation Week

Requested Action
 School Board Recognition of School Board Member Appreciation Week

Summary Explanation and Background

The Georgia School Boards Association (GSBA) every March celebrates “School Board Member Appreciation Week.” CCSD joins the statewide celebration saluting the efforts of local school board members. A high-performing school district begins with a high-performing school board!

Known for its long-standing exemplary status and 2021 Georgia Governance Team of the Year honor, our school board is comprised of seven devoted members who care deeply about the success of schools, the achievement of students, the satisfaction of employees, and the confidence of families and the community. Our school board honors its role as defined in Georgia state law: “The fundamental role of a local board of education shall be to establish policy for the local school system with the focus on student achievement. The fundamental role of a local school superintendent shall be to implement the policy established by the local board... Local board of education members should work together with the entire local board of education and shall not have authority as independent elected officials but shall only be authorized to take official action as members.”

For the past two years, our board has evolved its traditions and elevated its governance by setting Core Beliefs, establishing the board’s first-ever Student Performance Goals, together creating effective School Board Policies, and, as kicked off this month, developing a long-range strategic plan: Elevate 2032. As part of this recognition, two Board members are receiving GSBA Board Service Recognition Awards for achieving milestone service years: Patsy Jordan, a 12-year pin, and Rick Steiner, a 20-year pin.
