

Registration for Elementary Sports

Northshore School
District

Northshore School District offers an online credit card payment program called Touchbase. Touchbase allows parents to access their student's record online using their assigned Touchbase username and password to pay student fees using a Visa, MasterCard or American Express credit card. You can access Touchbase at: <https://schoolsales.nsd.org>.

The registration fee for Elementary Sports is \$45.00. Free and Reduced Lunch program qualifiers pay \$0.00 and there will be no processing fee, and they will not be asked for a credit card number.* Contact Food Services at 425.408.7657 with questions regarding the Free and Reduced Lunch program.

This paper form is only required when paying with check, cash or unable to access the touchbase system. Please complete the form, attach payment (unless free and reduced lunch program qualifier), and send to your school office.

The free/reduced application can be found on the Food Services page. The online application only takes a few minutes and is the fastest, easiest way to get approved. Paper applications are available. Parents wishing to have a paper application mailed to them should contact the Food Services office at 425-408-7657. The reduced fee waiver can be accessed via the Food Services page.
