STEPPING STONES SUMMER CAMP

For students entering Early Years 2 and Kindergarten.

Unleash the fun with Stepping Stones! Our program is a vibrant mix of guided learning and creative free play, designed to help young campers explore and grow in a completely safe, caring setting. Daily adventures include age-specific activities like engaging arts, rhythmic movement, classic outdoor play, and story-based games, all orbiting a weekly theme. Prepare for a spectacular summer of discovery, connection, and pure joy!

Week 1 (June 15 - June 19) Little Detectives *(NB June 16 is a National Holiday).*

Young learners will practice problem-solving, using their senses to explore clues, patterns, and hidden surprises. Through scavenger hunts, simple investigations, water play, and sensory activities, children will practice observation, ask thoughtful questions, make predictions, and test ideas in playful, age-appropriate ways. These experiences encourage curiosity, confidence, and early critical thinking while fostering collaboration, communication, and a love of discovery.

Week 2 (June 22 - June 26) Space Travelers

Children will blast off on an imaginative journey through space, exploring planets, stars, and rockets through art, movement, and sensory play. Each day introduces new celestial adventures: glowing constellations, star maps, sensory bins, and build-your-own spacecraft projects to inspire curiosity and wonder.

Week 3 (June 29 - July 3) Amazing Adventures

A week devoted to pretend play and creative expression. Each day features a new imaginative adventure: treasure hunts, friendly dragons, hidden maps, magical forests, and cardboard castles. Children work together, create simple props, and explore movement and storytelling to bring each adventure to life.

DISCOVERY SUMMER CAMP

For students who will be entering Grade 1, up to those who will be entering Grade 6

Join us at Discovery Summer Camp for a summer full of exploration, creativity, and unforgettable memories!

Students will dive into a safe, inclusive, and stimulating environment, expertly managed by our experienced staff, designed to help every camper discover new passions and thrive.

Our fun, engaging, and creative activities are organized around three distinct weekly themes: Mystery Magnified, Future Frontiers, and Fantasy & Legends.

Week 1 (June 15 - June 19) Mystery Magnified (NB June 16 is a National Holiday).

Strange things are happening at camp, and curiosity is leading the way. Campers will be immersed in a week full of surprises, challenges, and unexpected twists that spark imagination and laughter. Each day invites children to move, create, and collaborate as the mystery slowly unfolds. It is high-energy, joyful fun with just the right amount of mayhem.

Week 2 (June 22 - June 26) Future Frontiers

What will the world look like tomorrow? During Future Frontiers, campers will travel beyond the present into imagined worlds filled with innovation, exploration, and possibility. From futuristic cities to far-off galaxies, this week encourages big thinking, teamwork, and creative planning for the future in a playful, lively camp environment.

Week 3 (June 29 - July 3) Fantasy & Legends

Magic is in the air during Fantasy & Legends. Inspired by fantasy legends, myths, and beloved story worlds, campers will dive into a week filled with imaginative play, magical moments, and shared adventures. It is a joyful celebration of storytelling, creativity, and the wonder of fantasy.

JIS Aquatics

Learn-to-Swim Program (EY - Grade 5)

JIS Pondok Indah Elementary (PIE)

June 15 - July 3, 2026

Our Dragons Learn to Swim Program is designed to teach children essential swimming skills in a safe and encouraging environment. Through structured lessons led by Australian certified instructors, students will develop water confidence, basic strokes, breathing control, and safety techniques. The program emphasizes fun, gradual progress, and individualized attention to ensure each child becomes a confident and capable swimmer.

40-minute semi-private sessions (Max 2 students per class), with 30 minutes of structured learning

followed by 10 minutes of exploration play, to reinforce skills in a fun and engaging way.

For children enrolled in both the PIE Swimming Program and the Stepping Stones or Discovery Camp at PIE Campus, we will support the transition between the swimming pool and their respective camps.

Secure your child's spot now! Our Summer Camp programs run from June 15 to July 3.

**JIS Aquatics
Fundamental Swim Program (Grade 2- 5)
JIS Pondok Indah Elementary (PIE)
June 15 - July 3, 2026**

Ready to level up your swim skills? The **JIS Aquatics Fundamental Swim Program** is perfect for swimmers who can confidently swim 100 meters without stopping (including 25m freestyle, 25m backstroke, and deep water swimming).

This program focuses on stroke development and refinement, building endurance, and learning powerful starts, turns, and dives all while keeping training fun and challenging. Sessions are tailored to each swimmer’s individual needs, ensuring everyone receives the support needed to swim stronger and faster. Whether swimmers are building confidence in the water or refining their technique, this program provides a great opportunity to further develop their skills and improve overall performance.

This program is open to swimmers currently in the JIS Aquatics Fundamentals group, or those who meet the entry-level requirements outlined above, and offers the benefit of a low student-to-instructor ratio for more individualized feedback and support.

JIS Aquatics
Competitive Swim Program (Grades 2 - 5)
JIS Pondok Indah Elementary (PIE)
June 15 - July 3, 2026

The **JIS Aquatics Competitive Swim Camp** is designed for experienced swimmers looking to sharpen their technique, perfect their skills, and dominate the Individual Medley (IM). This program is open to JIS Aquatics Swim Team members and those with previous competitive swimming experience. This program is for competitive swimmers who can already swim all four strokes and are members of a swim team. Led by expert JIS swimming coaches, you can expect high-energy training, plenty of fun, and an opportunity to push yourself to the next level.

This camp will integrate swimming-specific technology, utilizing video analysis and TV playback to enhance stroke correction. Additionally, starts, turns, and dives will be a key focus to help swimmers refine their technique and performance.
