

JIS Academy Middle School Summer Program June 15 - July 3, 2026

JIS Academy invites all students to join our programs this summer.

Summer Program Registration Timeline	
Registration Opens	March 12, 2026 at 12:00 PM
Early Bird Special Ends	April 30, 2026
Regular Price	May 1 onwards
Please note: Spaces for all programs are limited. Registration is on a first-come, first-served basis.	

SUMMER COURSES

- AI Pioneers: An Artificial Intelligence Primer: Grades 6-8
- Summer Debate Program for Beginner-Level: Grades 6-9
- Summer Debate Program for Intermediate Level: Grades 6-9
- Math Lab Summer Program: Grades 6-8
- Wall Climbing: Grades 6-8
- Graphic Design: Grades 6-12
- Everyday Cooking Skills: Grades 6-12
- Beginner Table Tennis: Grades 6-12
- Intermediate Table Tennis: Grades 6-12
- Pre-Competitive Swimming: Grade 6- 8
- Competitive Swimming: Grade 6-8
- Basketball with Coach Cesar: Grades 6-12

Please direct any questions to us at jisacademy@jisedu.or.id or call 509-89555 Extension 20110.

AI Pioneers: An Artificial Intelligence Primer for Middle Schoolers Grades 6-8 JIS Cilandak Campus

In AI Pioneers, our emerging engineers will learn how to create projects for social good with Python programming language. Through hands-on coding, students will learn how computers can use data to solve complex problems like natural language processing and computer vision. Our students will explore the ways they can meaningfully use AI to predict heart disease, create social robots, assist with disaster relief, and navigate autonomous vehicles.

In our curriculum, we emphasize ethical responsibility, career paths in artificial intelligence, and interdisciplinary applications! From beginner to advanced coders, we envision a future where students of all backgrounds can contribute towards a bright future of inclusivity and technological advancement.

Please read more [here](#). **Students should bring their own laptops.**

Course Structure:

Machine Learning Talks: Learn about machine learning algorithms and techniques in a uniquely interactive, engaging format, before you apply that knowledge in live coding labs.

Hands-On Python Coding: Develop valuable skills in Python, machine learning, and artificial intelligence in our hands-on coding labs, using cutting-edge research to solve real-world problems like heart disease prediction, assistive technologies, and more.

Project-Based Learning: The program culminates in a final capstone project where students will collaboratively apply their new AI skills to a challenging, in-depth problem. Potential projects include developing AI for disaster relief resource allocation, implementing sketch recognition technology, or building a movie recommendation website.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
*June 15 - 26	8:30 AM - 11:30 AM	9 Days	JIS - Cilandak Campus	24,000,000 IDR	25,000,000 IDR

*June 16 is a public holiday

Summer Debate Program for Beginner-Level Grades 6 - 9 JIS Cilandak Campus

The summer debate program will follow the IASAS team format and serve as an extension for the existing Middle School Debate Club. Debate requires students to be self-directed, organized, responsible, and motivated. Debate is not only about speaking, rather it relies on the strength of understanding the topic. Therefore, this club focuses on research, creating arguments, synthesizing ideas, and learning how to examine and weigh one argument versus another.

This level is designed for students **with no prior debate experience**. Participants will:

- Learn the structure and rules of the IASAS team debate format
- Develop research skills to build strong arguments
- Engage in guided discussions and structured debates
- Gain confidence in public speaking and idea articulation

By the end of the program, students will be able to construct well-reasoned arguments and present their ideas with clarity and confidence. Limited to 15 spaces. **Students should bring their own computer.**

Instructor: Moon Jang- JIS Middle School English teacher

Moon Jang is currently a Middle School English teacher at the Jakarta Intercultural School, where she also teaches the Middle School Debate Club. Miss Moon has a B.S. in Education, Master of Arts in Literacy and Curriculum, and a Master of Arts in Gifted Education. Prior to JIS, she taught in Moscow, Bucharest, and her home state of Florida. She has coached both Middle and High School debate teams at the Anglo-American School of Moscow and the American International School of Bucharest. Moon is a former National Forensics League (NFL) high school debater and Extemporaneous speaker, with summer institute training at Baylor University and American University.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
June 22 - July 3	9:00 AM - 11:00 AM	10 Days	Room K-6 , JIS Cilandak Campus	4,700,000 IDR	5,400,000 IDR

Summer Debate Program for Intermediate Level Grades 6 - 9 JIS Cilandak Campus

The summer debate program will follow the IASAS team format and serve as an extension for the existing Middle School Debate Club. Debate requires students to be self-directed, organized, responsible, and motivated. Debate is not only about speaking, rather it relies on the strength of understanding the topic. Therefore, this club focuses on research, creating arguments, synthesizing ideas, and learning how to examine and weigh one argument versus another.

Students at this level must have previous debating experience and will engage in both debate categories:

- Impromptu Debates: Responding to topics with minimal preparation, enhancing quick thinking and argument construction.
- Research-Based Debates: Diving deeper into complex topics, refining evidence analysis and rebuttal strategies.

Participants will develop advanced skills in:

- Identifying and creating counterarguments
- Questioning evidence and research credibility
- Recognizing flaws in reasoning and logic

This program is an opportunity for students to refine their argumentation techniques, strengthen their critical thinking skills, and become more cohesive communicators. Limited to 15 spaces. **Students should bring their own computer.**

Instructor: Moon Jang- JIS Middle School English teacher.

Moon Jang is currently a Middle School English teacher at the Jakarta Intercultural School, where she also teaches the Middle School Debate Club. Miss Moon has a B.S. in Education, Master of Arts in Literacy and Curriculum, and a Master of Arts in Gifted Education. Prior to JIS, she taught in Moscow, Bucharest, and her home state of Florida. She has coached both Middle and High School debate teams at the Anglo-American School of Moscow and the American International School of Bucharest. Moon is a former National Forensics

League (NFL) high school debater and Extemporaneous speaker, with summer institute training at Baylor University and American University.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
June 22 - July 3	12:00 PM - 2:00 PM	10 Days	Room K-6, JIS Cilandak Campus	4,700,000 IDR	5,400,000 IDR

Math Lab Summer Program

Grades 6 - 8

JIS Cilandak Campus

An exciting exploration of mathematics beyond the traditional classroom! This interactive math lab invites middle school students to discover and appreciate the beauty and hidden structures of math. From investigating the magic of prime numbers to understanding how blockchain works, students will engage in creative problem-solving and collaborative investigations, while uncovering math's connections to art and other aspects of the real world. Perfect for curious minds eager to see math in a whole new light! Limited to 15 spaces. **Students should bring their own laptops. Choose from a morning or afternoon session - both run the same content.**

Instructor: Khoon Yu Tan - JIS High School AP math teacher (IB experience)

Tan is currently teaching AP Math at the high school level at JIS. Prior to this, he taught the IB Middle Years and Diploma Programmes. With 16 years of experience teaching middle and high school math, the first 10 years were spent in Houston, TX. Over the years, Tan has successfully coached students to excel in various math competitions. He is also the current leader of the after-school math club, Mighty Math Explorers, where he fosters curiosity and creativity in mathematical thinking.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
June 15 - June 19	9:00 AM - 11:00 AM	4 Days	Room B-3, JIS Cilandak Campus	2,150,000 IDR	2,500,000 IDR
June 15 - June 19	12:00 PM - 2:00 PM	4 Days	Room B-3, JIS Cilandak Campus	2,150,000 IDR	2,500,000 IDR

Wall Climbing Grades 6 -8 JIS Cilandak Campus

Step into the world of Wall Climbing, where we are all about taking your outdoor experience to the next level. Our club is for adventure seekers, fitness lovers, and anyone up for an exciting challenge. Whether you are a climber or a newcomer to the sport, our club offers a supportive and inclusive environment for climbers of all

skill levels. There are 8 climbs at the JIS climbing wall. Merapi, Bromo, Agung, Krakatau, Overhang, Salak, Rinjani and Side wall.

Our experienced instructors are on hand to provide guidance, tips, and techniques to help you improve your climbing skills safely and effectively. Learn proper belaying techniques, footwork, and climbing strategies in a supportive learning environment.

Join us on a journey of adventure, fitness, and personal growth. Whether you are climbing for fun, fitness, or competition, you will find a welcoming community and endless opportunities to challenge yourself and reach new heights.

JIS Instructor:

- Roberts Setiawan - JIS MS PE Teacher, Lead (Certified Climbing Instructor)
- Rama Kapahang - JIS MS PE Assistant Teacher, Assistant (Certified Climbing Instructor)

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
June 15 - June 19	8:30 AM - 10:00 AM	4 Days	JIS - Cilandak Campus	1,800,000 IDR	2,100,000 IDR
June 22 - June 26	8:30 AM - 10:00 AM	5 Days	JIS - Cilandak Campus	2,100,000 IDR	2,450,000 IDR

*June 16 is a public holiday

**Graphic Design
Grades 6-12
JIS Cilandak Campus**

Graphic Design, From Concept to Creation, will introduce students to ideas and techniques needed to create t-shirts, mugs, jackets, calendars, sandals, and many other items. Each student will get an actual product of their design at the end of the class.

Each JIS student must bring their JIS-assigned MacBook with Adobe Photoshop installed. Please bring your MacBook to the JIS IT Helpdesk office located on the ground floor of Wantilan Cafeteria, JIS Cilandak Campus, Monday – Friday between 8:00 AM – 3:00 PM to get the software installed on your computer.

For NON - JIS students:

Each Non - JIS student must bring their own laptop (NOT an iPad or a tablet) and access Photoshop from www.photopea.com

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
*June 15 - June 19	9:00 AM - 10:30 AM	4 Days	JIS - Cilandak Campus	1,165,000 IDR	1,350,000 IDR
June 22 - June 26	9:00 AM - 10:30 AM	5 Days	JIS - Cilandak Campus	1,250,000 IDR	1,450,000 IDR

June 29 - July 3	9:00 AM - 10:30 AM	5 Days	JIS - Cilandak Campus	1,250,000 IDR	1,450,000 IDR
*June 16 is a public holiday					

Everyday Cooking Skills Grades 6-12 JIS Cilandak Campus

This summer, come join us for an exciting culinary adventure! You will get to make iconic sweet and savory dishes while picking up some simple yet essential kitchen skills that will stay with you for life. Plus, you will be able to take home your delicious creations after each lesson! [Click here](#) to view the menu for the entire two weeks. Packaging will be provided.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
June 15 - June 19	10:00 AM - 11:30 AM	4 Days	JIS - Cilandak Campus	1,850,000 IDR	2,150,000 IDR

Beginner Table Tennis Grades 6-12 JIS Cilandak Campus

Elevate your game with Coach Fadil Muhammad, a former National Athlete and All-Indonesia Inter-Campus Champion. Whether you are picking up a paddle for the first time or training for competitive glory, this is the place to be!

Why Choose This Program?

Pro Expertise: Learn from a National-level winner with years of international coaching experience.

Expert Teaching: As a trained educator (Pedagogy graduate), Coach Fadil makes complex techniques simple, fun, and easy to master for all ages.

Beginners class : Master the fundamentals—grip, footwork, and those first satisfying rallies.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
June 18 - June 19	8:30 AM - 10:00 AM	2 Days	JIS - Cilandak Campus	900,000 IDR	1,000,000 IDR

JIS Aquatics: Learn-to-Swim Program
Grades 6-8
JIS Pondok Indah Elementary (PIE)

Our Dragons Learn to Swim Program is designed to teach children essential swimming skills in a safe and encouraging environment. Through structured lessons led by Australian certified instructors, students will develop water confidence, basic strokes, breathing control, and safety techniques. The program emphasizes fun, gradual progress, and individualized attention to ensure each child becomes a confident and capable swimmer.

40-minute semi-private sessions (Max 2 students per class), with 30 minutes of structured learning followed by 10 minutes of exploration play, to reinforce skills in a fun and engaging way.

For children enrolled in both the PIE Swimming Program and the Stepping Stones or Discovery Camp at PIE Campus, we will support the transition between the swimming pool and their respective camps.

JIS Aquatics: Pre-Competitive Swimming Grades 6 - 8 JIS Pondok Indah Elementary (PIE) Campus

Ready to level up your swim skills? The JIS Aquatics Pre-Competitive Summer Swim Program is perfect for swimmers who can confidently swim 100m without stopping (including 25m freestyle, 25m backstroke, 25 meter breaststroke, and deep water swimming).

This program focuses on stroke refinement, powerful starts, smooth turns, and dryland training, all while keeping it fun and challenging! Dryland sessions will include core body strength, coordination, and movement exercises designed to support swimmers in the water and improve overall performance. Training is tailored to each swimmer's unique needs, ensuring everyone gets the support they need to swim stronger and faster. Whether you are looking to build confidence in the pool or fine-tune your technique, this is the perfect way to level up your swimming game

This program is open to swimmers from the JIS Aquatics Fundamentals group or those who meet the entry-level requirements mentioned above.

JIS Aquatics: Competitive Swimming
Grades 6 - 8
JIS Pondok Indah Elementary (PIE) Campus

The JIS Aquatics Competitive Summer Swim Camp is designed for experienced swimmers looking to sharpen their technique, perfect their skills, and dominate the Individual Medley (IM).

Eligibility Requirements for the Program:

This program is designed for competitive swimmers. To participate, swimmers must meet the following criteria:

- Be a current member of the JIS Aquatics Swim Team OR have prior experience in competitive swimming.
- Currently be part of a competitive swim team.
- Be proficient in all four competitive strokes.

This camp will incorporate swimming-specific technology, using video analysis and TV playback to support stroke correction and technique development. Starts, turns, and dives will also be a key focus to help swimmers refine their skills and improve performance. The program will also include dryland training focused on core body strength, coordination, and body control to support swimming performance in the water.

JIS swimming coaches will lead all sessions, providing individualized feedback thanks to a low student-to-coach ratio.

Dates	Time	Duration	Location	Early Bird Special Until April 30, 2026	Regular Price May 1, 2026 onwards
*June 15 - June 19	8:00 AM - 10:00 AM	4 Days	JIS - Pondok Indah (PIE) Campus	1,570,000 IDR	1,770,000 IDR

BASKETBALL WITH COACH CÉSAR
Grade 6-12
JIS Cilandak Campus

5 Day Basketball Camp

César Cámara Pérez, a professional coach licensed by FIBA Europe, brings a wealth of experience from elite leagues in Spain, Japan, Venezuela, Indonesia, and the Philippines. He currently holds the position of Head Coach for the Bogor Hornbills, making him the youngest Head Coach in Asia's first professional league division. Coach César's successful leadership is evident as he guides the Hornbills to the highest ranking in the organization's history, a performance that earned him a selection as one of the Head Coaches for the All-Stars 2026 event in Bandung.

His camp will incorporate:

- Daily skill development
- Tactical training
- Strength and mobility exercises
- Gameplay with real-time coaching and feedback
- Mental and physical conditioning tips
- Understand game flow and decision-making
- Recognize offensive and defensive systems

Limited spaces are available! Join today.
