

# TRANSPORT TO RGS NEWCASTLE

*My son really stepped up to the responsibility of travelling independently. He now loves meeting his friends at the train station and his little group travel to and from school each day.*

*Year 7 Parent*

- M** Tyne & Wear Metro
- National Rail
- Private Coach & Bus Service

**RGS is Closer Than You Think**

With Jesmond Metro Station just across the road, RGS is uniquely placed for families across the North East. Whether you're travelling from the coast, the city, or the countryside, our excellent public transport links make the journey simple, sustainable, and empowering.

Many of our pupils travel independently from Sunderland, Whitley Bay, Durham, Ponteland, Morpeth and beyond - building confidence, resilience and responsibility along the way. It's a journey they own - one they can enjoy with friends, plan on their own terms and learn how to navigate the region for themselves.

Choosing public transport isn't just practical - it's a greener, smarter way to access an exceptional education.
