NPJ

MILESTONE

1979 was a year of victory and defeat; success and failure. As you turn the pages of this yearbook, your book, we ask only that you remember . . . For if you remember, our job is done.

JUNIOR HIGH... WHAT FUN?

IN MEMORIAM

February gave us many things in 1979. The gift of love was seen through Valentine's Day with all its flowers and beautiful feelings toward each other. Thoughts of power and honesty came to mind as the birthdays of George Washington and Abe Lincoln passed. But most of all, the last few weeks of winter gave us a beauty unparallel to anything else in nature. The gentle fall of snow and the sculptures of ice compelled the body to feel as if someone else was in control.

But all was not given this past February. The smile and generous joy spread by Greg Bigham has been taken to another place, but his smile will still have a special place in our hearts. The gift of giving a smile is not bestowed on all of God's children. For Greg, using his smile to bring joy and laughter during our day was as natural as breathing.

As the snow fell on that cold day in February, I could see him standing there with his hand waving in the air. His story and gestures would bring the class to a fun-filled roar and Greg's smile would spread from ear to ear.

We will remember you, Greg, and your smile will stay forever.

CLAUS KIENTZLE

From the big city came this year's exchange student, Claus Carlos Kientzle Sanchez. The 15 year old, 6'3" sophomore found Sugar Grove's rural area quite a change from his hometown of Guadalajara, Mexico, which has a population of about three million. Claus also found our co-ed public school very different from the private, all-boys school he attends in Guadalajara. He spent his stay in Sugar Grove as a member of the Ralph Morris family. Claus' main interest this year was to learn and improve his English. He hopes to return to the United States for his college education. He is considering Civil Engineering at Ohio State University.

Claus' hobbies included photography and CB radio. He obtained a CB while in the USA and was able to contact friends in Guadalajara. He put his camera to use not only for his personal use and enjoyment, but he also took pictures for the yearbook.

Of all the experiences and changes Claus faced, he probably enjoyed the snow the best. When his family lived in Chihauhau, they had light snow on occasion, but in Guadalajara it is "spring" all the time.

Claus' stay in the USA was an experience for him as it was for those who knew him well. For some people he will be just another exchange student, but he will be truly missed by others.
