Updates on action Steps

C 2.01

Mid quarter Progress reports were sent home for the Reading Panda Challenge.

We got our first chapter feature up and running on a YouTube page, videos will also be posted in the Teams Folder.

Mrs. Sluder also wanted to talk about spending instructional funds money to go towards books for this.

Mid year data chats should be going on right now.

+Adding action step for providing professional development for UFLI for second and third grade.

A.4.06

All classrooms are doing their morning meetings and third grade is working with Mrs. Johnson for specific needs related to their grade level.

Additional Agenda Items

Action Taken:

Mrs. Johnson shared that she would like to get career awareness out. We have made a Canva template for parents to add to and Mrs. Johnson will have 5th graders interview people about their career.

Mrs. Drolet said that the morning show may take up too much time and she is wondering if there is a better solution.

Mrs. Johnson said that it doesn't necessarily have to be a morning show and it can be an ongoing way we can brainstorm how to expose our students to many careers.

Mrs. Friesen had a concern that a specialist was asked to do a longer Global Day then what was expected. We want to make sure all staff is adhering to Global Times.

Some staff has asked if the Feb 25 Global Day be removed because the amount of snow days and grade levels will incorporate Global Activities as they best see fit.

Mrs. Sluder asked for proposals for how to spend money

Friesen - Stock the Makers Space with generic crafts

Drolet suggested Microscopes and Friesen said maybe only 10 and hooked up to a teacher TV.

We agreed on gathering a list of science supplies from the closet, some playground equipment and First Chapter Feature books.

Parents/Teachers had concerns about missing more work so we are moving awards day because of all the

lost school days. We are going to reschedule it to February 20th.
