

NANTUCKET SHELLFISH ASSOCIATION
Student Scholarship Application 2026

The mission of the Nantucket Shellfish Association is to preserve and protect Nantucket's harbors, water quality, and shellfish resources. The Nantucket Shellfish Association works collaboratively with organizations across the island addressing issues that impact the health and sustainability of our harbors.

The NSA is pleased to announce the availability of student scholarships for seniors and graduates of Nantucket High School with a grade point average of 3.0 or better and have declared (or intend to declare) a major in some aspect of marine science, shellfish, and / or harbor health. The intention is to award student scholarship(s) up to \$10,000, renewable for up to three years contingent upon the maintenance of an acceptable GPA. The final number and amount of scholarships will be determined by the NSA at its discretion.
