

MCINTOSH APPLE

DID YOU KNOW?

- McIntosh Apples is a small to medium-sized round fruit with a short stem.
- McIntosh Apples have red and green skin that is thick, tender, and easy to peel.
- McIntosh Apples are sweet, juicy, and tart with a bit of spice to the flavor.
- McIntosh Apples are very soft, they don't maintain their shape, they are juicy and tart-sweet which makes them perfect for apple sauce.

FUN FACT!

McIntosh apples are available in fall and early winter.
