ISD Payment Installment Schedule 2026–2027 School Year

The dates on which payments are due are as follows:

1st Payment	2nd Payment	3rd Payment
Payments will be accepted between August 1 and August 13, 2026, for returning student(s) or within 7 calendar days of acceptance for new students.	Paid and confirmed by November 2, 2026.	Paid and confirmed by February 12, 2027.

Installment Guidelines

- A non-refundable, mandatory application fee of US\$250 must be submitted during the application process. Failure to pay this fee will result in your application being deemed incomplete.
- Upon acceptance, a US\$750 reservation fee is required to secure a place. This amount will be deducted from the total tuition and fees invoice.
- The capital development fee must be included in the first tuition payment, whether it is paid annually, in two or three installments.
- Written applications for payment by installments, as chosen on ISD's Enrollment Contract, should be submitted as soon as possible. This should be no later than June 18, 2026, for returning families and upon acceptance for new families. Submission of an application to pay fees by installment via the Tuition Agreement Form implies full and unqualified acceptance of the conditions outlined here.
- At least one installment of the fees, plus the capital fee (if applicable), must be paid before they can start school.
- Confirmation of payment is the responsibility of the parent/guardian. All payments are deemed "LATE" if the payer has not produced to the ISD Business Office printed documentation of the payment being made on or before the due date.
- Installment payments not received by the due date will accumulate late fees at the rate of 1.5% per month on the accumulated outstanding balance for the number of days past due.
- Before departing for the summer, families may present a check for tuition dated August 1, 2026, to the ISD Business Office, which the office will not process until that date.
- Parents who select the single payment must pay at least the 1st installment by August 1st, or seven calendar days after their arrival, and the balance by October 9, 2026. Unpaid balances after this date will automatically convert to a two-payment plan, incurring the standard installment fee.
- Parents who select the two-payment plan must pay all fees by November 20, 2026. Unpaid balances after this date will automatically convert to a three-payment plan, incurring the standard installment fee.

Refund Guidelines

If you need to withdraw your child and have paid the full annual tuition in advance, a partial refund may be available based on the date of withdrawal:

- 67% by November 13, 2026;
- 50% by January 11, 2027;
- and 33% by February 12, 2027.
- No refunds are issued after February 12, 2027.

To request a refund, please send a letter with your bank details to the ISD Business Office. Refunds are processed via electronic transfer or check. Please note that installment payments, registration, and capital fees are non-refundable.
