Schools of Choice Information (for more information, please contact TPS at 734-692-4511)

1. If the number of applications for a specific grade level or program exceeds the number of available spaces, applicants will be selected through a lottery process and must meet all other Choice requirements.
 2. If a sibling of a School of Choice (SOC) enrollee wishes to enroll in Trenton Public Schools (TPS) and the District is accepting SOC students in the sibling's grade level, the sibling will have priority status for that grade and will not be subject to the lottery. The sibling must meet all eligibility requirements.
 3. There will be no tuition or other enrollment costs associated with SOC students attending TPS other than those costs that are expected of all students attending TPS (instrumental equipment rental, activity fees, etc.).
 4. SOC students are expected to adhere to all rules and regulations, the Student Code of Conduct, and policies of TPS. In addition, they must comply with all School of Choice legislative rules and regulations.
 5. Once a SOC student is accepted, he/she may maintain enrollment for the remainder of his/her educational career without re-submitting to the SOC process. However, should a specific class become overcrowded, due to increased residential enrollment, or other circumstances deemed necessary by the Superintendent of Schools, SOC and Limited Open Enrollment students may be required to move to a classroom/school with lower enrollment within the District.
 6. Students who have been expelled from any school district and/or school, public or private, are not eligible for enrollment in TPS.
 7. Students who have been suspended from any school district and/or school, public or private, within the past two years, may not be eligible for enrollment in TPS.
 8. SOC students who are eligible for special education programs will be subject to the same placement procedures as all students attending TPS and may be placed in appropriate programs outside the TPS.
 9. SOC students entering Trenton High School will be scheduled classes as determined by the school counselor and based on availability.
