

Dear Parents and Families,

We are eagerly anticipating the return of our cherished Scholastic Book Fair this spring, from April 10th to 17th. Hosted by Parents' Association of Cetronia (PAC), the Book Fair remains a beacon for fostering a love of reading and helping students enrich their personal libraries. As always, each purchase made directly supports our school.

Launch Party: Mark your calendars for the evening of **Friday, April 10, 2026, 5–8 pm**. We'll be celebrating the grand opening in the Media Center, featuring the Udder Bar Ice Cream truck to sweeten the festivities. It's a wonderful chance to be the first to explore our book selections and support our teachers' wish lists.

When & Where: From **April 10th-17th, the Media Center** will be transformed into a literary wonderland. Students will also have the chance to shop during their Media Center time throughout the week.

Online Book Fair: For those pressed for time, our Online Book Fair opens April 10th <https://bookfairs.scholastic.com/bf/cetroniaelementaryschool>, making it easy to browse and purchase books from anywhere.

eWallet: Try eWallet, our digital payment solution. Simply create an account, load funds, or invite family to contribute. Any remaining balance can be used at The Scholastic Store Online or saved for future fairs. Look for the eWallet setup on our Book Fair homepage (link above). You can set up ewallet anytime between 3/20-4/17. This is a great alternative than sending in cash to school and volunteers can find your students ewallet account at check out during book fair.

Reading is a journey, and the Book Fair is a celebration of that journey. We can't wait to share this experience with our students and their families.

See you there!

Dr. G

Principal

Cetronia Elementary School

"Let's go Cetronia!"
