VANTAGE

MINNETONKA ADVANCED PROFESSIONAL STUDIES

VANTAGE is Minnetonka High School’s experiential project-based learning program. Students experience regular guest instruction and site visits along with a rigorous curriculum. They are paired with a one-on-one mentor for the year who helps and guides them on their projects and various topics about success in the professional world. The foundation of VANTAGE is company projects. Through experiential learning, VANTAGE offers a unique opportunity to apply their coursework in real-world settings. Students solve genuine problems through project-based assignments. There are twelve study strands for students to choose from.

WEIGHTED GRADE POINT AVERAGE (GPA)

GPA is based on marks earned in grades 9–12. All courses for which the student receives a grade A-F are included in the GPA. Pass grades are not included in the GPA, but do count for graduation credit (a maximum of one credit per year may be taken with the pass/fail grade option).

Additional weighting in GPA calculations: Students who take College in the Schools (CIS), Scientific Research I and II, multivariable calculus and differential equations courses receive additional +1.0 weighting in GPA calculations.

All Advanced Placement and International Baccalaureate courses shall be weighted +1.0 if the student earns a C- or higher in the course or the student successfully achieves a “3” or higher on an Advanced Placement assessment or a “4” or higher on an International Baccalaureate assessment.

GPA is calculated on a 4.0 point scale:

A = 4.0	A- = 3.7	B+ = 3.3
B = 3.0	B- = 2.7	C+ = 2.3
C = 2.0	C- = 1.7	D+ = 1.3
D = 1.0	D- = 0.7	F = 0

GPA DISTRIBUTION

Students at MHS do not recieve an individual class rank. The calculation of cumulative grade point average includes additional weighting for AP and IB courses.

Class of 2026 Sixth Semester GPA Distribution
880 Students; Median GPA: 3.578
