The Public Schools of the Tarrytowns received the following clarification request from a prospective proposer for additional information. The information requested is as follows.

C1. I just want to clarify that, per the UPK RFP, the program will no longer include the one section that was housed at Tappan Hill this year. All sections will be located at John Paulding, with the understanding that the CBO provider will oversee all eight sections.

A1. Confirmed. The on-site program will be housed only at John Paulding School.
