

# Hilltop Elementary School

## Schoolwide Title One Program Compact

### Partnership Agreement

Hilltop Elementary will provide high quality instruction and curriculum in a supportive and effective learning environment that prepares participating students for life long learning. Student success in learning can only take place when there is a combined effort between students, their families and the school.

### School Agreement

- Use a variety of instructional methods and materials as it relates to district and classroom instruction, assessment, and pursuit of meeting state standards.
- Communicate regularly with parents and children about progress to include formal conferences twice a year and report card three times a year.
- Provide opportunities for parents to volunteer, participate in their child's class or observe classroom activities.

### Caregiver Agreement

- Provide a quiet study time at home and encourage good study habits.
- Check my child's backpack every night for notices and homework.
- Talk with my child regularly about school activities and homework.
- Get my child to school regularly and on time.
- Find out how my child is progressing by communicating with teachers.
- Attend Care Giver/Teacher conferences and review this compact annually.

### Student Agreement

- Work as hard as I can on my school work.
- Be ready and eager to learn.
- Be respectful to my teachers and other students.
- Work towards improving my reading and math skills.
