NOTICE OF ADOPTION OF PRELIMINARY DETERMINATION
CLERK OF CIRCUIT/SUPERIOR COURTS
MORGAN COUNTY

Notice is hereby given pursuant to Indiana Code § 6-1.1-20-3.5 that the Board of School Trustees (the "Board") of Monroe-Gregg School District (the "School Corporation") did, on June 9, 2025, make a preliminary determination to issue bonds for the renovation of and improvements to facilities throughout the School Corporation, including site improvements and the purchase of technology, equipment, real estate and buses (collectively, the "Project"). The bonds will have a maximum maturity of eight (8) years, a maximum principal amount of \$6,000,000 and estimated interest rates ranging from 3.00% to 6.00% resulting in total estimated interest costs of \$480,000.

As required by Indiana Code § 6-1.1-20-3.5(b)(1), the following information was available to the public at the public hearings on the preliminary determination: (i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 0.7613%; and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net assessed value of taxable property within the School Corporation, which is 4.82%.

The School Corporation's current Debt Service Fund levy is \$4,913,367 and the current rate is \$0.7091. After the bonds are issued, the gross Debt Service Fund levy will increase by a maximum of \$4,250,000 and the gross Debt Service Fund tax rate will increase by a maximum of \$0.6134. However, as existing obligations mature, the anticipated net increase to the Debt Service Fund levy is expected to be \$0.00 above the current Debt Service Fund levy.

The estimated amount of the School Corporation's Debt Service Fund levy and Debt Service Fund tax rate that will result during the following 10 years if the School Corporation issues the bonds, after considering any changes that will occur to the Debt Service Fund levy and

Debt Service Fund tax rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period, is as follows:

<u>Payment Year</u>	<u>Estimated Total Debt Service Levy</u>	<u>Estimated Debt Service Tax Rate ⁽¹⁾</u>
2025	4,913,367	0.7091
2026	4,961,467	0.7020
2027	4,857,246	0.6873
2028	3,031,049	0.4289
2029	1,701,350	0.2407
2030	1,721,998	0.2436
2031	1,632,105	0.2309
2032	1,641,483	0.2323
2033	1,641,078	0.2322
2034	1,562,401	0.2211
2035	1,011,374	0.1431

The Project does not involve the opening of new school facility space. Therefore, the School Corporation does not expect to annually incur an increase. The purpose of the bonds is to provide for the Project.

If a valid petition pursuant to Indiana Code § 6-1.1-20-3.5 is received within 30 days from the publication of this notice, the proposed debt service payments must be approved in an election on a local public question held under Indiana Code § 6-1.1-20-3.6.

Dated June 11, 2025.
