

HMS CHORUS

The chorus program at Hull Middle School provides students with an opportunity to perform various styles and periods of music in a choral setting. Many opportunities exist for solo and small ensemble performances for those interested. ***No prior instruction, training, or audition is required to join.*** Students will learn to use the singing voice correctly while learning to read vocal music. Students will have the opportunity to perform, respond, and evaluate music while exploring composers, styles of music, and musical eras. Since our voice is the instrument we use, chorus requires no rental fees or instrument purchases. Your only requirement is to bring your best voice every day.

Chorus is a year-long connections class and is held during the normal school day as part of the regular curriculum. We will perform in at least two concerts this year.

Students who remain in chorus beyond 6th grade will have the opportunity to participate in a variety of choral activities including District 13 Honor Chorus, Large Group Performance Evaluation, and GMEA All-State Chorus. Other opportunities may become available to the student during the year. The possibilities are limitless.

This is your opportunity to make friendships to last a lifetime while creating music together. Come join the chorus for exciting opportunities for performance and building great memories!
