Julie Mushel / Becky Abbott

Subject: LFCHS 15th Annual Day of Caring

On Wednesday, May 6, 2026, Little Falls Community High School students and staff will again be providing community service time to seniors, disabled and homebound individuals, and the community at large by offering assistance with spring cleanup. Our caring hands will clean up yards, parks, and community areas while providing TLC to spruce things up within the cities of Little Falls and Randall, as well as the villages of Flensburg and Sobieski. Our goal is to provide over 3,000 hours of community service.

The Day of Caring has evolved into a wonderful community event that would not be possible without the help and assistance of our community partners and volunteers. In the enclosed forms, you will find different opportunities to support or be involved in this year's Day of Caring. The first form is the Community Service Project Partnership form and on the reverse side is the Business Volunteer form. This is to be used if you would like to support the project financially or be involved with volunteering in any way on the Day of Caring. The second form is the Information and Registration form with the Project Registration form on the reverse side. This form outlines what projects we will be able to help with and the registration form for homeowners to complete if they would like assistance with outdoor projects on the Day of Caring. Please feel free to make multiple copies of either form if you need to.

To allow for sufficient planning, the Project Registration forms are due, postmarked, no later than Friday, April 10, 2026. We would like all Community Service Project Partnership and Volunteer forms submitted by Friday, April 17, 2026. Both forms should be sent to:

Little Falls Community High School
Day of Caring
1001 5th Ave SE Little
Falls, MN 56345

Feel free to contact us if you have any questions or need more information at 320-632-2003 / 320-616-2215
