

March PTSA Meeting

(6 people in attendance: Thomas, Sasha, Chris, Taryne, Karla, and Trayten. Meeting day was changed and there was a failure to inform Lori-sorry Lori- and Taryne takes full responsibility. So as a group we decided to move the meeting location to Starbucks, as we were locked out of the school)

Treasury Report: (Chris) After collecting money for the ski program to pay for busses, and due to the lack of snow and the students only skiing twice, there was some leftover funding. \$1,840 was collected to pay First Student (bus company) and the bill only ended up being \$1,120, leaving us with a remainder of \$720. Chris spoke with Mr. Read and the total reimbursement for each parent/student would be about \$13-\$18 (depending on the final student count which is roughly 40). The question was what to do with the remainder and much discussion was had on how we would facilitate reimbursing each one (we concluded a lengthy process). A vote was taken (based on discussion and Mr. Read's suggestion to Chris) and all were in favor of earmarking that \$720 for next year's ski program/bus fees. However, although so far, no parent has asked for a refund, if anyone does, we will be happy to write them a check.

Track Concessions: Track Preliminaries at NMHS on Mon 4/27, Tues 4/28, and Mon 5/4 all starting at 1:30. Thomas majorly stood up to the plate and offered to work all three! Taryne can also help- for sure on 4/28 and most likely be able to pop in the other days, to help give a break and restock if needed. Karla also might be there! We plan to use the stock we have, but also add sodas. Menu would be the same as what we have had at concessions already. Drinks can be kept in a cooler of ice. Snack shack is equipped with plug ins to heat nacho cheese.

Spring Social: PTSA Spring Social will be on 5/7 Thurs. We will purchase décor through Amazon and dollar store. Taryne will make signs to put in the hallways the week before. Taryne and Sasha will sell tickets on Friday 5/1 at lunch time, as well as Tuesday 5/5. Decorating will start at 2:00, social starts at 3:45. Need to find out how many staff chaperones we will have. Definitely need to buy food: pizzas (Costco, sell for at least \$2 per slice), chips (Takis most popular), candy (the fruity sour candy sells better than chocolate)

Staff Appreciation Lunch: Talked about food options based on what we can afford. Won't know a dollar amount until we make some money on the Spring Social and concessions. We are hoping to not exceed a budget of \$10 per person (\$1,000) but most of the research Sasha has done so far (thank you Sasha!) has shown that to be wishful thinking and we will be looking at closer to \$15 per person. To be discussed further....

NEXT MEETINGS: Tuesday 4/21 at 5:30pm at Hedrick and Tuesday 5/12 at 5:30pm at Starbucks
