*In Memory Of  
Jim Wilkin*

*A Member Of The  
Senior Class Of 1981*

I was filled with joy, but now with sorrow. Once filled with laughter, but now in tears. For the days of yesterday were filled with sunshine. The times of tomorrow were filled with dreams. But for today, this day is filled with darkness. Filled with clouds, which have hidden the sunshine of yesterday. Filled with empty delusions. Destroying the dreams of tomorrow. A day so filled with emptiness and sorrow. For you have gone leaving me filled with emptiness. In a timeless world only filled with soft whispers of memories.

# Congratulations to the Class of '81

...from the bank in a class  
by itself.

Whether your future plans include college, marriage, a career or a business of your own, it will take money to make those plans pan out.

For now and the years ahead, we invite you to make Lancaster National Bank your own personal financial planning center.

What sets us apart is that we're the only locally owned, locally managed bank in Lancaster. All the others are controlled by large organizations in other cities.

Whatever your plans, come share them with the bank that's in a class by itself.

We want to be part of your future.
