## Navigating Course Placement

February 12, 2026

**Welcome to the  
Webb Bridge  
Family**

***“Through an inclusive community, we commit to cultivate each facet of each child in order to have a positive impact on tomorrow’s world.”***

# Continuous Achievement: Providing A Challenging Curriculum For All

The Fulton County Board of Education supports the vision that each child should be given the opportunity to learn to his or her full potential.

To that end, the Continuous Achievement framework for advancement allows each child to progress in **language arts and mathematics** at his or her appropriate instructional pace and depth, expanding and compacting the curriculum as appropriate.

# Objectives

---

Provide an overview of content class offerings for rising 6<sup>th</sup> grade students

Provide more specific information regarding academic expectations and indicators of success for the various levels of classes offered within content areas

# WBMS Indicators of Success

Teachers have completed the course recommendation process using The Webb Bridge Indicators of Success. Earlier this year, teachers analyzed student data to re-evaluate these recommendation guidelines specifically for our community; however, they do not replace the district course guidelines.
