BYRON ATHLETICS APPRECIATES YOU!

Byron Athletics is looking to make changes for our student athletes! The changes we want to make require assistance from our community. We would love to see upgrades to Eagles Stadium, such as locker rooms and field care. For our Baseball and Softball fields we would love to see field upgrades and a batting cage facility. We would love to see remodels happen, such as all three concession locations and other projects such as equipment and weight room upgrades. The list could go on and on. That's where you come in by choosing a package above. Individual purchases can also be made outside of sponsorship levels, except exclusives or limits marked by an *. Year renewal terms will be matched to the school year.

If you have questions, please contact our Byron Athletic Director.

Sponsorships must be in by July 30th, 2026.

BYRON ATHLETICS SPONSORSHIP OPPORTUNITY

Our Byron Athletics Department is moving in a positive and uprising direction. In order to do so, we truly need the support of our community. We want to provide our athletes with programs that have proper equipment, up-to-date technology and meet the standards that should be expected in today's athletic world. We want to be able to take a step back, look at the larger picture and make financial decisions that will benefit everyone in the long run.

The upgrades we are pursuing are locker rooms within Eagles Stadium for both our athletes and our visiting teams along with overall care for the field in general. For our Baseball and Softball Fields upgrades in general would be amazing along with a new batting cage facility devoted to strictly their sport. We want to see renovations happen for all three of our concession stand locations along with renovating our weight room and providing equipment upgrades for the space as well. Our list goes on and on, but we need to start somewhere.

That somewhere begins here. It begins with our staff seeking out potential individuals and companies to become sponsors of our Athletics Department. We have multiple packages available that will show others in our community that you proudly support our athletes, the future of our small community. Your sponsorship would prove to our athletes that they are worthy. We can show them what a huge difference a small community can make when we all come together. When we all can stand back and look at the bigger picture and make it happen together, THAT is what makes a small community bond strong. Through games, events and numerous school activities, Byron Athletics connects with hundreds of local families and community members each week, creating strong visibility and goodwill for our sponsors.

If you are interested in becoming one of our sponsors, please reach out to our Athletic Director. We are looking to set sights on our new goals and achieve them as quickly as possible. Our 2026 Sponsorships must be submitted by July 30th, 2026 in order to be included in the different acknowledgements we are offering.

We truly hope you can feel the excitement that we have in moving forward. We want to make things bigger, better and more exciting for our athletes and we think a few of you might too.

Thank you for your time and your consideration. We look forward to hopefully hearing back from you soon with any questions and/or concerns you may have.

Happy New Year,

Byron Athletics
