

**blueprints**  
EARLY LEARNING

They get an education  
while you build a future.

## Why Blueprints?

### Parent Perks!

- Convenient locations across Washington & Greene Counties
- Provides low-no cost childcare for income eligible families with children ages 0-5.
- Gain complimentary access to resources, support, and opportunities to help you and your family thrive.

### Student Perks!

- Gain Kindergarten readiness through comprehensive educational programming.
- Exposure to enrichment activities that encourage positive behavior, socialization, and emotional development.
- Studies show that Early Childhood education can have a lasting effect on development and learning as children age.
