REGION 15 TEACHERS PRIVATE TUTORS MASTER LIST Spring 2026

Excerpt: Board of Education Policy - Private Tutoring

Region 15 Teachers interested in tutoring may ask that their names be placed on a master list of available tutors. The District Personnel Office shall update the list of Region 15 teachers available for providing tutoring assistance. Such teachers may also specify the subject area(s) in which they would be available for tutoring. The district master list will be distributed to each Building Principal and Guidance Department and will also be available on the www.region15.org website under Families/Tutoring Information section.

Parents interested in retaining tutors may contact the tutor via e-mail (Visit www.region15.org and click About Us/Faculty & Staff Directory).

For complete board policy regulations regarding Private Tutoring access the Region 15 website at www.region15.org under Board of Education/ Policies/Policy #4134.
