

# Documenting Behavior

Behavior documentation allows everyone involved to have ongoing communication about students' progress toward following expectations. Through the documentation we are able to better assess each students' individual needs and provide specific lessons, interventions, strategies, and/or support.

### Acknowledgement System

All staff at Dollahan Elementary are able to acknowledge positive behavior throughout the school day and throughout the school building.

- Dollahan “SPOT”s (Spotted Being A Leader) are our school-wide recognition system. Part of PBIS is the use of consistent positive reinforcement of appropriate behavior. All staff members who observe students demonstrating the school behavior expectations will acknowledge students by giving students a “SPOT.”
- Students are rewarded with “SPOTS” when they are spotted Leading by Example, Encouraging Others, Always Being Respectful, and Doing the Right Thing. This recognition takes place in all areas of the school and from all staff members.
