

PARENT-TOT

Parent-tot swim lessons gives you the opportunity for one-on-one time with your little one! Both the parent and child will practice basic swim skills, holding and support techniques and safety skills: including permission to enter the pool, back floats, safe entry and exit from the water and more (all while having fun)! These skills can all be lifesaving and can be learned very early on.

Class Dates:

Saturday's

April 11th - May 16th
