The thing we have been talking about most and what I have heard from the entire board is that we want to give our exceptional workforce raises. I also heard from this board that we want to focus on the end of the teacher salary scales. We added the salary scales that not something we normally we do. We really need to think about the big picture. We talked about stretching the teacher scale. She shared three proposals in detail with the cost increase for each. Dr. Whitmarsh recommended to go with proposal number three with the beginning of this process. This board will adopt a budget on the 25th of February. Then on March 3rd we go to the Board of Supervisors.

The board discussed the proposals.

Ms. Bickers stated she failed to acknowledge and say appreciation for all the staff that worked so incredibly hard on this particular proposal. She said she greatly appreciates all of it.
