ADVICE

HOW CAN STUDENTS REMIND THEMSELVES THAT GRADES AREN'T EVERYTHING?

YOUR GRADES MATTER BUT SO DOES YOUR MENTAL HEALTH. DON'T WORRY ON GRADES SO MUCH IT CONSUMES YOUR LIFE. BEING A KID IS WHAT MATTERS.

FLOURISH & THRIVE

Ahhhh!! Only 2 more months till school ends!! Time did go by fast this year. Well, since its almost the end of the school year, it's time to focus on your grades. To do this try asking your teacher for help or how you can bring it up, almost always will teachers have a way for you to bring up your grades. Honestly though I hope you bring your grades up to what you want but don't waste all your energy, and take care of yourself. You can try by taking breaks in between studying or doing your work so that way you balance both of them. So overall good luck on you trying to bring your grades and taking care of yourself!

BATTLE OF THE BOOKS

BATTLE OF THE BOOKS WAS A COMPETITION WHERE STUDENTS READ 10 BOOKS OVER A WHOLE YEAR, AND THEN WERE QUIZZED ON THE BOOK TITLES AND AUTHORS. THE TEAM THAT WON WAS THE READING CUBS.
