A Vibrant Community Rooted in Belonging

Leopold Elementary School, located on Madison’s south side, is a joyful and inclusive learning community serving students from 4K through fifth grade. As one of the district’s original community schools, Leopold is a hub where families, educators and partners come together to ensure every child is seen, supported and empowered. Grounded in equity, curiosity and belonging, we foster academic success and personal growth in a safe, respectful environment. Our diverse student body reflects the rich cultural tapestry of our neighborhood, celebrated through inclusive practices.

Enriching Opportunities

Leopold features a robust Dual Language Immersion (DLI) program, helping students build biliteracy in English and Spanish. The curriculum includes social studies, science, physical education, art, music, technology and outdoor learning. We also provide access to health and social services to support every student. In 2025, we received a \$20,000 technology upgrade through the Leap for Learning program, expanding opportunities in Science, Technology, Engineering and Mathematics (STEM) education.

Engaging Events and Strong Community Partnerships

Leopold hosts monthly events that strengthen school-family connections, such as Dream Bus visits, Mobile Food Pantries, Literacy Night, Multicultural Night and Tito Fest. These events, supported by our active Parent Faculty Organization (PFO) and supported by our Community Partners bring families, staff and students together in meaningful ways.
