Belong.

At Lake View, students feel a strong sense of connection, trust and engagement with peers, teachers and staff. According to the 2023-24 Climate Survey:

- **86%** of students reported a feeling of belonging at our school
- **88%** felt connected to their fellow students
- **88%** were interested in their lessons
- **84%** noted they were involved in lots of school activities

Thrive.

Lake View is a vibrant hub where students and families are connected, supported and celebrated.

Strong collaboration with Madison Schools and Community Recreation (MSCR) provides after-school opportunities in academic enrichment, sports and the arts.

Our school forest, complete with nature stations, provides hands-on outdoor learning.

“As a community school, we strive to be a hub of resources for all and create the conditions students needs to thrive.”

– Nkaujnou Vang-Vue, Principal

Who We Are

As a Community School, we build on the assets of the community to meet the identified needs of all we serve. We focus on student succes through the teaching of social emotional skills that will help create future leaders. In partnership with our families and community, our goal is to create a culture of college, career and community readiness for all!

What Makes Us Special

Lake View is proud to be the only elementary school in the State of Wisconsin to offer a Hmong Heritage immersion program. When native speakers of Hmong and native English speakers with Hmong spoken in their homes learn together, both groups build pride in their linguistic and cultural identities. They are encouraged to take risks in using their non-dominant language in a safe linguistic environment.

Lake View also maintains extensive outdoor learning spaces, allowing teachers to bring nature into their curriculum and nurturing the development of a lifelong love for the outdoors.

Community Partnerships

Along with our students and teachers, our community is among our greatest assets. We are fortunate to have the support of many local partners and organizations, including Badger Volunteers (UW-Madison), Behavioral Health in Schools (Children’s Hospital of Wisconsin), Celebrate Smiles (Access Community Health Centers), Community Action Coalition, Dairyland Dancing Diamonds, Groundswell Conservancy, Madison Hmong New Year, Madison Public Schools Foundation, Madison Reading Project and many more.

Madison Metropolitan School District (MMSD) is the place where your child will truly thrive. We welcome all children and foster a strong sense of belonging, ensuring every student feels valued and supported.

At MMSD, we believe in exploring a wide range of interests and providing opportunities that help students discover their passions, talents and unique potential. From arts to sciences, technology to sports, there’s something for every child to explore and grow!

We’re proud to have the support of our community, with newly renovated high schools, a new elementary school and 10 new buildings coming soon. These modern spaces create an environment for future-ready opportunities that will set your child up for success!
