How you can help support Class of 2026 Project Graduation :

1. Monetary Donations: General monetary donations to Project Graduation can be made through Omella.

2. Raffle Tickets: Purchase a raffle ticket for the opportunity to win one of six “Reserved Parking Spots plus TWO extra tickets” for graduation on Friday, May 15.

3. Prize & Senior Gift/Raffle Donation: The Gift/Raffle Committee has been hard at work ensuring there are prizes for games and tournaments at Project Graduation and that each senior leaves with a raffle item. Check the flyer to see how you can donate to this cause.

4. Volunteer: Volunteers are needed to help decorate prior to Project Graduation and throughout the evening. Check out our sign-up.

5. “Baby Wall” - Our Decorations Committee is creating a special collage of graduates’ photos. We’re asking each senior parent/guardian to submit two photos – one baby picture and one recent or current photo of your student. These photos will not be returned and should be kept 4x6 size. These can be turned in at the Main Office or to Ms. Kelley (W322) or Mrs. Urbaniak (S407).

If you have any questions about this event, please contact **Alexis Kelley** (akelley@lhs210.net) or **Ashley Urbaniak** (aurbaniak@lhs210.net). Together we can make this event a great success!

Sincerely,
