

JERUDONG INTERNATIONAL SCHOOL

KEY STAGE 2 TEACHER

We are looking for an outstanding Key Stage 2 teacher who is committed to preserving the joy of childhood. Our Key Stage 2 provision continues to use characteristics of effective play at age-appropriate levels. This includes a design thinking framework used by the children to explore passion projects and child-led, research-based learning. Our provision effectively weaves a narrative through the learning, allowing children increasing choice and control in learning experiences that incorporate their interests. We believe in the educational power of children as explorers and leaders of their own learning balanced with high quality, precise direct teaching sessions. We need you to have the highest expectations, be reflective and responsive as well as a passionate, positive and caring advocate for the children in your class. We are looking for a teacher who is committed to individualised education based on excellent relationships and an understanding of their learners as unique individuals beyond the usual data points.

We offer outstanding, well-resourced indoor and outdoor environments, including our own Forest School surrounded by tropical jungle. Our children are amazing and will fully commit to the learning adventures that you jointly create with them. If you are the reason children run into school excited about the learning adventures that await, then we are the school for you. Previous overseas experience is not essential. However, the desire to work in a genuinely international community is. Jerudong International School is committed to equality of opportunity for all staff, and applications from individuals are encouraged regardless of any of the protected characteristics of the 2010 UK Equality Act
