Framing

Fresno Unified's guardrail ensures that *no group is left behind while achieving system goals*.

Training in targeted universalism is essential because it:

- Builds shared understanding of equity-centered decision making.
- Equips leaders with the tools to identify and close gaps.
- Promotes accountability so district progress includes **all** students.

Expected Impact

- Reduced opportunity gaps.
- Improved access to advanced coursework, supports, and programs.
- Stronger engagement for historically marginalized students.
- More consistent instructional and support practices.

Most importantly, we will see improved outcomes for all students.

Guardrail- Equitable Access

GUARDRAIL

Equitable Access: The superintendent may not meet the goals by leaving out or denying access to any distinct and/or vulnerable population groups (for example, African American, English Learners, Foster Youth, Homeless and Students With Disabilities) or schools.

INTERIM GUARDRAIL

EA3: From August 2025 to June 2027, the percentage of site and district leaders who receive professional learning in Targeted Universalism will increase from 0% to 90%.

Purpose

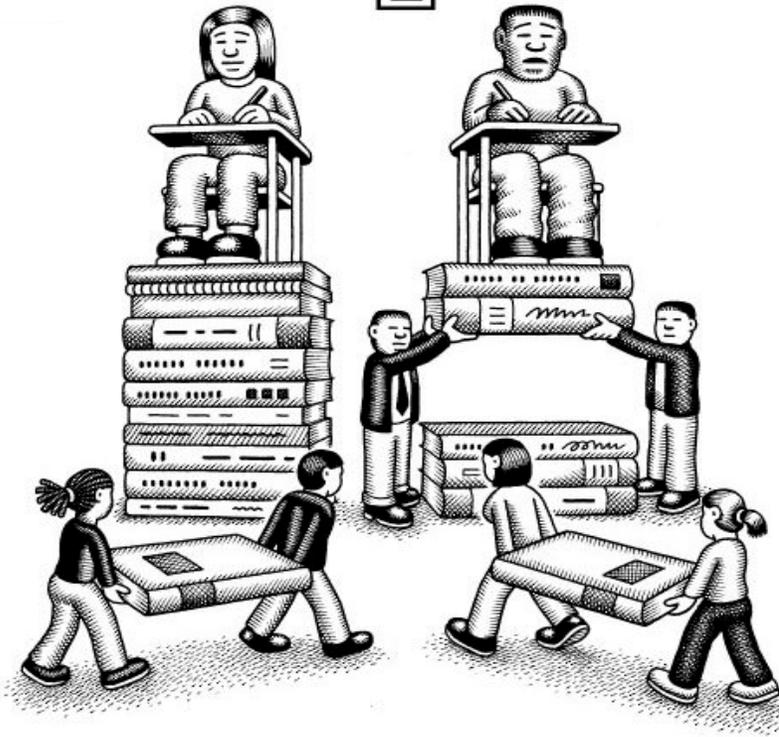

To ensure Fresno Unified's Guardrail on Equitable Access is met - that no student group is denied access to opportunities or outcomes - leaders must be trained in Targeted Universalism, an equity framework that sets universal goals while using targeted strategies to ensure success for all student groups.

TARGETED UNIVERSALISM

Why Targeted Universalism?

CLOSING THE GAP

Our data—both current and historical—clearly shows persistent **disparities and opportunity gaps** for our most disenfranchised and marginalized student groups

Why Training is Needed

Training in targeted universalism ensures that district and site leaders:

- Understand how to align resources, supports, and policies to meet the needs of vulnerable and distinct populations (African American, English Learners, foster youth, homeless students, students with disabilities, and schools with concentrated needs).
- Develop the mindset, data fluency, and leadership practices needed to dismantle systemic inequities.
- Lead with intentionality so that achieving district goals includes every student.

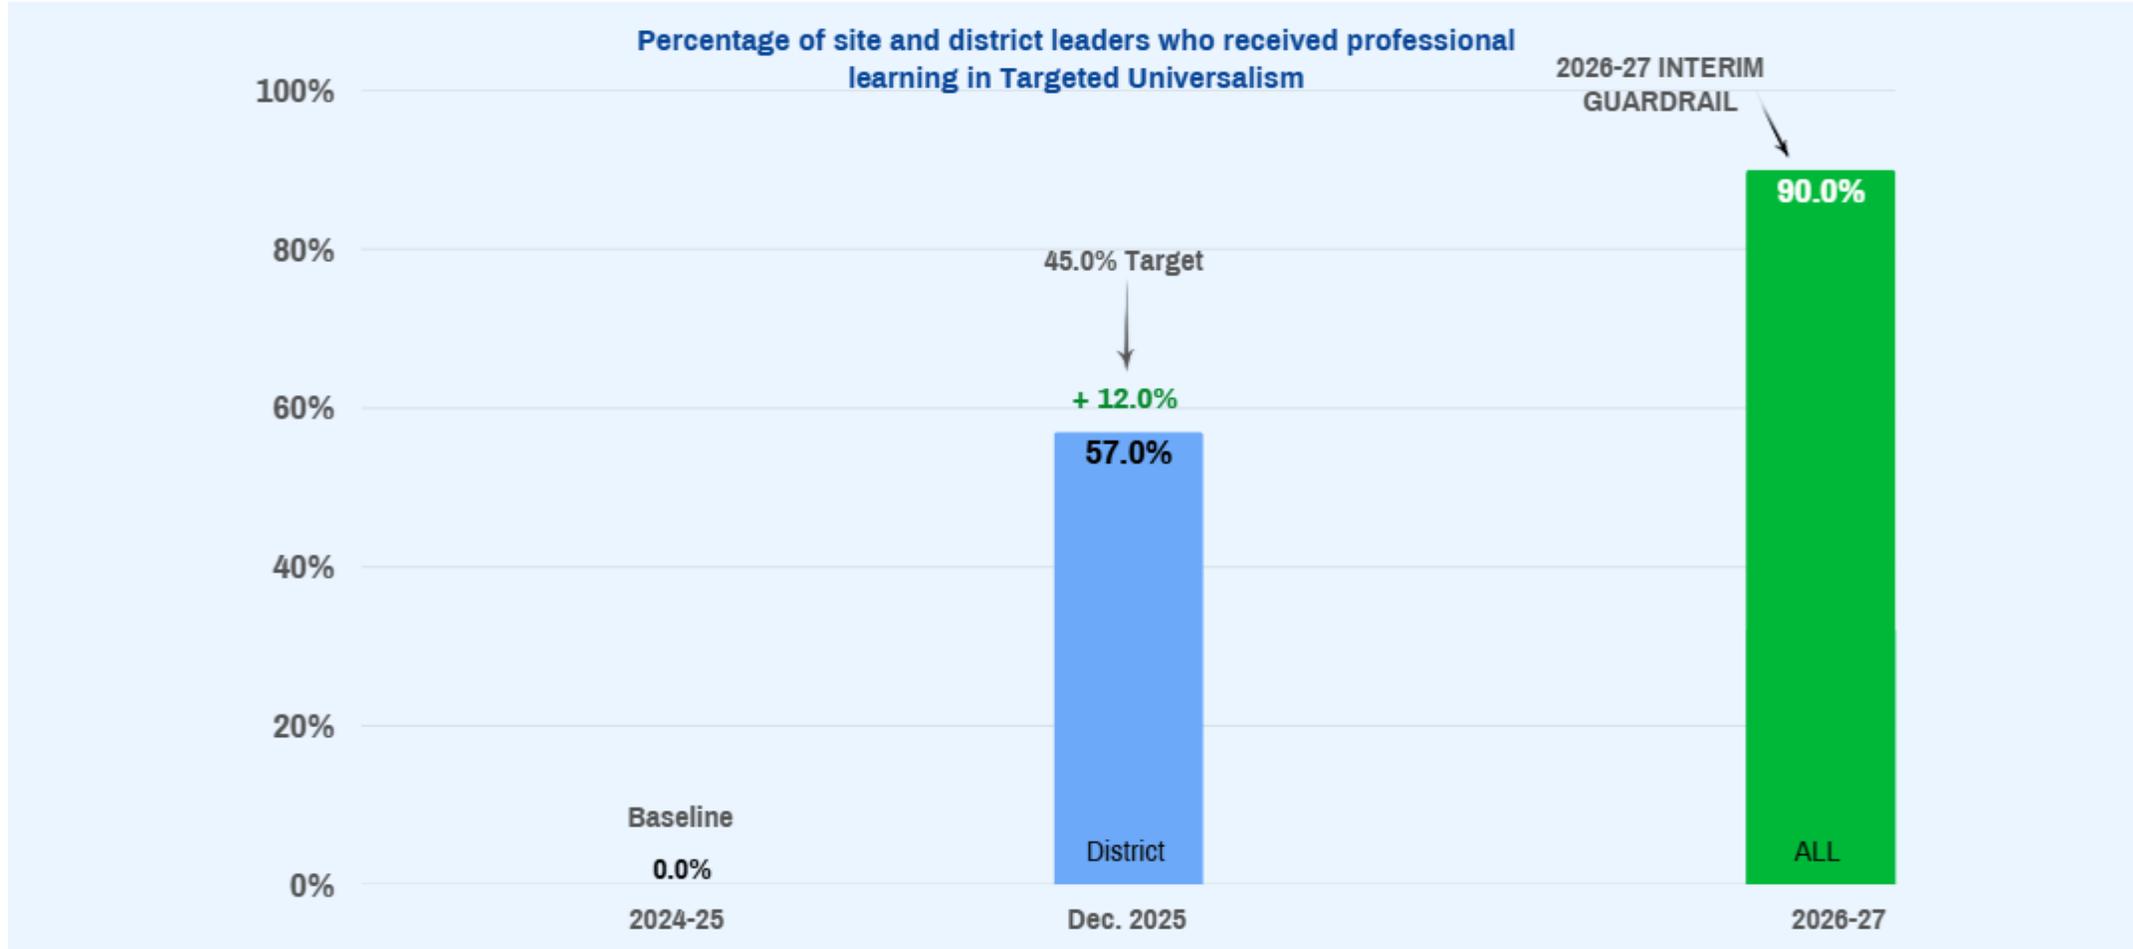

INTERIM GUARDRAIL EA3

Guardrail: Equitable Access

The superintendent may not meet the goals by leaving out or denying access to any distinct and/or vulnerable population groups (for example, African American, English Learners, Foster Youth, Homeless and Students With Disabilities) or schools.

Interim Guardrail: EA3

From August 2025 to June 2027, the percentage of site and district leaders who receive professional learning in Targeted Universalism will increase from 0% to 90%.

SUPERINTENDENT’S RESPONSE – EA3

Closing Commitment

Through Targeted Universalism and leadership development, we are committing to:

- Equity by design.
- Accountability in practice.
- Excellence for every student.

The parties recognize that LICENSEE'S use of the PREMISES pursuant hereto may constitute a possessory interest therein subject to taxation by state and/or local taxing authorities. LICENSEE agrees to be wholly responsible for, and shall timely pay any such taxes, and shall remit such taxes demanded together with any interest and penalties associated therewith and, at no expense to the LICENSOR, and LICENSEE shall indemnify, defend and hold INDEMNITEES harmless therefrom.

Fresno Unified School District
Board Agenda Item

BOARD MEETING DATE: March 25, 2026

ACTION REQUESTED: APPROVE

TITLE AND SUBJECT: Approve Agreement with Lucyrx Health Solutions

ITEM DESCRIPTION: Included in the Board material is an agreement with Lucyrx Health Solutions for the period of April 01, 2026, through December 31, 2028, to provide an international sourcing option for high-cost medications. Lucyrx Health Solutions is an independent pharmacy benefit manager (PBM) that leverages international drug pricing to offer prescriptions at lower costs. They have a local office in Fresno and partners with over 60,000 pharmacies and 1,200 members nationwide.

The Joint Health Management Board (JHMB) is continually seeking ways to reduce pharmacy costs, as they have risen dramatically over the past five years. A request for proposal (RFP) was completed, and Lucyrx Health Solutions was chosen.

Participation in the program is voluntary, but it will be attractive to patients because there are zero copays through the program. JHMB is expecting to see 40-50% of eligible medications be internationally sourced through the program, which will help to offset costs with MedImpact, which is the district's PBM for all medications. Lucyrx Health Solutions has a process in place for shipping all prescriptions safely and meeting the strict requirements, such as those of the U.S. Food and Drug Administration.

Lucyrx Health Solutions charges \$50.00 per claim for non-specialty and \$250 per claim for specialty drugs. As part of the program, participants pay the international price through Lucyrx Health Solutions for prescriptions of medications where the net price is less than that of regular channels. The JHMB has data analytic capabilities to monitor the gross and net savings from Lucyrx Health Solutions compared to other channels. The expected cost will be determined by participation and is not expected to cost more than \$2.8 million annually, which will offset costs with our primary PBM, MedImpact.

FINANCIAL SUMMARY: Sufficient funds in the estimated amount of \$7.5 million are available in the Internal Health Service Fund budget for the entirety of the contract period.

2.2 **Exclusivity.** Contractor shall be the exclusive provider to District and the Plans of each of the Contractor Services described in this Agreement. District acknowledges and agrees that it will not provide, directly or indirectly, or engage any pharmacy benefit manager or other third party, to provide to District or any Plan any Contractor Service that Contractor provides to District or Plans. 3.2 **Plan Information and Changes.** District will provide Contractor with all required Benefit Design Documents, including a current and accurate copy of the summary plan description ("SPD") provided to Members describing the terms and conditions of coverage offered under the Plan. District represents and warrants that all Benefit Design Documents shall accurately reflect the applicable terms of the Plan for purposes of this Agreement. Contractor shall use such Plan Design Document information for purposes of administering the prescription drug program for District under this Agreement. District shall provide Contractor with at least sixty (60) Business Days advance written notice of any changes to the Plan that affect the Contractor Services provided under this Agreement to allow Contractor to determine if such change will alter the Contractor Services Contractor provides under this Agreement. The Parties shall negotiate in good faith any new fees that may be required to implement and/or administer the Plan change. If the Parties cannot agree to a new fee within thirty (30) days of the notice of the new fee or if Contractor notifies District that

District will prepare, maintain, and update the Eligibility File, which shall be accurate and shall be provided to Contractor in a format mutually acceptable to both Parties. District will initially provide the Eligibility File to Contractor within a reasonable timeframe and thereafter on no less than a weekly basis. Contractor shall be entitled to rely on the accuracy and completeness of the Eligibility File and all Member eligibility data furnished by District, and District shall be responsible for any inaccuracies in the Eligibility File or Member eligibility data it provides to Contractor. If District retroactively changes a Member's status under a Plan, District shall be responsible for payment of all Claims related to such Member that are processed prior to Contractor processing the notification of the retroactive termination.

3.4 Member Communications and Authorizations. District is responsible for notifying Members of any Benefit Design changes. District represents and warrants that it has obtained from Members all consents and/ or authorizations required, if any, for Contractor to perform the Contractor Services and for the use and disclosure of information, including PHI, in accordance with this Agreement and to otherwise communicate with Members via print and digital messaging. District shall be responsible for obtaining all consents and authorizations in accordance with applicable consumer and data protection Laws and regulations, including but not limited to HIPAA. Contractor communications shall be approved in advance by District.

3.5 Review of Reports, Statements, and Invoices. Upon receipt from Contractor of reports, statements, and invoices, District shall be responsible for promptly reviewing and confirming that the reports, statements, and invoices are accurate and complete and for promptly notifying Contractor in writing of any errors or objections to such reports, statements, and/ or invoices. This includes but is not limited to all service requests, benefit change requests, pharmacy operations change requests, acceptance tests, statements of work, etc. . With the exception of errors caused by Contractor, unless District notifies Contractor in writing of any errors or objections within thirty (30) days from receipt of such report, statement, and/ or invoice, all the information contained therein will be deemed accurate, complete, and acceptable to District, and thereafter Contractor shall have the right to rely on all such information.

ARTICLE IV CONTRACTOR SERVICES

4.1 Provision of Contractor Services. Contractor shall provide the Contractor Services set forth in Exhibit B (Contractor Services), in a manner consistent with the Benefit Design Document and the terms of this Agreement, and District hereby authorizes Contractor to provide the Contractor Services in such manner.

Exhibit C, District shall also pay to Contractor any additional fees that are authorized by a provision elsewhere in this Agreement or are otherwise agreed to by the Parties in writing.

5.2 **Billing and Payment.**

5.2.1 Claim Costs. In the event Contractor renders Claims payments to Participating Pharmacies and/or Members prior to receipt of Claims payment from District, such payments shall not constitute a waiver of any of Contractor's remedies with respect to non-payment and shall not establish a course of dealing between Contractor and District.

5.2.3 Late Payments.

(a) Interest on Late Payments. In the event District fails to pay any amount due under this Agreement as set forth herein, in addition to all other rights and remedies under this Agreement and at law and in equity: (i) payments not received in accordance with this Article V (Financial Terms) shall accrue interest on any past due amounts at a rate equal to the greater of Prime Rate or 5% per annum (or, if less, the highest rate allowed by Law) on the amount due until paid/credited in full by District, and District shall be responsible for all costs and expenses of collection by Contractor, including reasonable attorneys' fees; and/or (ii) Contractor may offset the amount of such payment defaults, interest, and collection costs against any District related amounts otherwise payable to District (e.g., Rebates, deposits).

(b) Suspension of Performance. If any amount due under this Agreement has not been received by Contractor when due, then Contractor may suspend its services and system operations for District upon written notice to District provided all past due amounts (including interest) have not been cured in full within five (5) calendar days after receiving such a notice. The exercise of this right will not preclude Contractor from seeking any other remedy available under this Agreement or at law or equity. Notwithstanding anything to the contrary, any amount due related to disputed claims shall be due within 60 days of written resolution.

5.3 **Member Hold Harmless.** In no event will Contractor or a Participating Pharmacy directly or indirectly collect, attempt to collect, or accept remuneration or reimbursement from a Member for Covered Drugs, except for Cost Share amounts or as otherwise provided in this Agreement, even in the event of District's failure to pay Contractor, a payment dispute between the Parties, District's insolvency, or any other breach by District of the terms of this Agreement.

5.4 **Taxes.** District will pay all sales, use, and similar taxes and duties arising from or related to items dispensed or services provided hereunder, or any other amounts that Contractor may incur or be required to pay arising from or relating to its performance of services as a third party administrator in any jurisdiction. If Contractor or a Participating Pharmacy is obligated to collect and remit any such amount, Contractor will include such amount on an invoice to District. District is not responsible for taxes on Contractor's income.

ARTICLE VI TERM AND TERMINATION

6.1 **Term.** The term of this Agreement shall commence on the Effective Date and terminate on December 31, 2028 (the “**Initial Term**”), unless otherwise terminated earlier in accordance with this Agreement.

6.2 **Termination.**

6.2.1 Termination Without Cause. Either Party may terminate this Agreement at any time, upon the provision of ninety (90) days’ advance written notice of such termination.

6.2.2 Termination for Cause. If either Party fails or is unable to perform any of its obligations under this Agreement (a “**Default**”), the non-Defaulting Party, at its election, may terminate this Agreement in its entirety, or with respect to the affected Services, if the Default has not been cured within thirty (30)) days following the Defaulting Party’s written notice of the Default. The written notice furnished to the Defaulting Party shall specify in reasonable detail the nature of the Default, the actions required to cure the Default, if such is curable, and whether the non-Defaulting Party is seeking to terminate either the entire Agreement or only the applicable, affected Contractor Services. If the Defaulting Party has failed or is unable to cure the Default to the reasonable satisfaction of the non-Defaulting Party by the end of the thirty (30) day termination notice period, then this Agreement or the applicable Contractor Services, as the case may be, shall be terminated upon the expiration of the thirty (30) day termination notice period.

6.2.3 Payment Default. Notwithstanding the provisions of Section 6.2.1 (Termination Without Cause) and Section 6.2.2 (Termination for Cause), in the event of a payment default by District under Article V, Contractor shall provide written notice of such default to District. If District does not cure the payment default within twenty (20) calendar days after receiving such notice, Contractor may terminate the Agreement on written notice to District.

6.2.4 Bankruptcy. A Party may terminate this Agreement effective immediately upon written notice of such termination to the other Party if the other Party ceases to be actively engaged in business or becomes insolvent, which for purposes of this Section 6.2.4 shall mean that such other Party voluntarily files or has filed involuntarily against it a petition under the United States Bankruptcy Code, including a petition for Chapter 11 reorganization as set forth in the United States Bankruptcy Code.

6.2.5 Change in Law or Industry Practice. In the event that any action of any Governmental Authority, change in Law or material change in industry practice materially adversely affects, alters or impacts any Party’s ability to perform its obligations under this Agreement (“**Change in Law**”), then that Party shall notify the other Party of the nature of the applicable event, including in the notice a copy of the Change in Law or industry practice or a description of the applicable Governmental Authority action. The Parties shall meet within thirty (30) days and shall, in good faith, attempt to negotiate a modification to this Agreement that minimizes the adverse effect of the applicable Change in Law. If the Parties fail to reach a negotiated modification and/or equitable adjustment concerning the adverse action or Change in Law or industry practice, then the affected Party may terminate this Agreement by giving at least thirty (30) days’ prior written notice or may terminate sooner if the Parties agree.

6.2.6 Effect of Termination. Upon the effective date of termination of this Agreement, Contractor shall terminate the provision of all Contractor Services to District and Members. Neither Party's termination of this Agreement shall limit its right to pursue remedies at Law or equity or its indemnification rights under this Agreement. Contractor will process all Claims received up to the date of termination of this Agreement.

(a) Post-Termination Services. Upon termination of this Agreement, Contractor may, at District's request, provide post-termination services as mutually agreed to in writing by the Parties and for mutually agreed upon fees and rates.

(i) Run Out Claims. PBM will process all Claims received up to the date of termination of this Agreement. Any unprocessed Claims incurred prior to the date of termination will be processed by PBM for a period of three (3) months following the termination of this Agreement ("**Run-Out**"). During the Run-Out period, Client will pay PBM the monthly Administrative Fee in effect at the time of termination.

(b)

(c) Cooperation and Transfer of Data Following Termination. Upon termination of this Agreement, Contractor shall reasonably cooperate with District in transitioning Members to any new service provider(s) selected by District. Such cooperation shall be subject to the fees set forth in Exhibit C (Financial Terms). Each Party shall be responsible for ensuring its compliance with any Laws and regulations applicable to its business, including maintaining any necessary licenses and permits. District shall be responsible for any governmental or regulatory charges and taxes imposed upon or related to the services provided hereunder. The Parties acknowledge that the legal and regulatory framework governing the international sourcing and importation of prescription drugs into the United States is subject to change and may vary depending on the nature of the importation. To the extent that the legality of such sourcing is uncertain or subject to discretionary enforcement by regulatory authorities, the Parties shall consult in good faith to assess the risks and compliance obligations associated with such sourcing. No Party shall be required to engage in any activity that would knowingly violate applicable law or regulatory guidance. If a change in or regulatory interpretation materially affects the ability of either Party to perform its obligations under this Agreement with respect to international sourcing, the Parties shall negotiate in good faith to amend the Agreement to reflect such changes while preserving the original intent and economic balance of the Parties. To the extent the Plan is subject to the provisions of ERISA, District (or the plan sponsor if a party other than District) shall ensure that its activities in regard to such

program are in compliance with ERISA, and shall be responsible for disclosing to Members any and all information relating to the Plan and this Agreement as required by Law to be disclosed, including any information relating to Plan coverage and eligibility requirements, commissions, Rebates, discounts, or provider discounts.

7.2 **Privacy Laws.** Each Party agrees to comply with all Laws pertaining to the confidentiality, privacy, data security, data accuracy and completeness and/or transmission of personal, health, enrollment, financial and consumer information and/or medical records (including prescription records) of actual or prospective Members, including, but not limited, to the confidentiality and security provisions set forth in HIPAA. District and Contractor agree to abide by the terms and conditions of the Business Associate Agreement attached hereto as Exhibit F (Business Associate Agreement). Contractor shall be responsible for its subcontractors and vendors compliance with the Business Associate Agreement.

8.1 **Records.** Contractor agrees to maintain reasonable documentation related to the Contractor Services provided to Members and Claims processed under this Agreement. District agrees to maintain reasonable documentation related to the enrollment information and Benefit Design information provided hereunder. The Parties will maintain the records and information required by this Section 8.1 for six (6) years from the date of enrollment or service, as applicable, or such longer period that may be required by Law, in a format and electronic media deemed reasonably appropriate by the Party holding such records. Subject to all applicable privacy and confidentiality requirements, certain records may be made available to other pharmacies and health professionals for the treatment of Members.

8.2 **Confidentiality.** Contractor and District shall not disclose or make use of any Confidential Information except as permitted under this Agreement without the prior written consent of the non-disclosing Party, which consent may be conditioned upon the execution of a confidentiality agreement. Each Party may disclose Confidential Information of the other Party only to its employees, agents, consultants, subcontractors, or authorized representatives who have a need to know the Confidential Information in order to accomplish the purpose of this Agreement and who (i) have been informed of the confidential and proprietary nature of the Confidential Information, and (ii) with respect to agents, consultants, subcontractors, or authorized representatives, have agreed in writing not to disclose it to others and to treat it in accordance with the requirements of this Article VIII. Contractor or District, as applicable, shall be responsible to the other Party for any breach of this Agreement by its respective employees, agents, consultants, subcontractors, or authorized representatives. Notwithstanding the foregoing, Contractor's financial information and/or this Agreement (including the terms and conditions of this Agreement in whole or in part) cannot be disclosed by District to any third party, except to its consultants, administrator, legal counsel or any other entity engaged by District to provide services to the Plan, without Contractor's express written consent. In order to preserve and protect the confidential or proprietary nature of any Confidential Information and to prevent it from being part of the public domain or falling into the possession of persons not bound to maintain its confidentiality, each Party shall handle the Confidential Information of the other Party with the same degree of care that it applies with respect to its own information that it considers as confidential and proprietary, but in no event with less than reasonable care. Each Party shall notify the other Party of any unauthorized access, use or disclosure of any Confidential Information of the other Party or any breach or other unauthorized access of any system containing Confidential Information of the other Party, and shall comply with all applicable Laws relating to the notification of affected individuals.

8.3 Exceptions to Confidentiality Obligations. The confidentiality requirements of Section 8.2 (Confidentiality) shall not apply to such Confidential Information to the extent: (i) the information is or becomes generally available or known to the public through no fault of the receiving Party; (ii) the information was already known by or available to the receiving Party prior to the disclosure by the other Party on a non-confidential basis; (iii) the information is subsequently disclosed to the receiving Party by a third party who is not under any obligation of confidentiality to the disclosing Party; or (iv) the information has already been or is hereafter independently acquired or developed by the receiving Party without violating any confidentiality agreement or other similar obligation.

8.4 Required Disclosures. The obligations imposed on the Parties in Section 8.2 (Confidentiality) shall not restrict or limit disclosures made by the receiving Party that are either: (a) required by applicable Laws or a Governmental Authority; or (b) compelled by a court order or a Governmental Order or a subpoena, provided that the receiving Party being compelled to disclose any such information shall (i) give prompt notice after learning of the need therefore to the disclosing Party (if allowed by applicable Laws), (ii) disclose only that portion of the disclosing Party's Confidential Information that the receiving Party's legal counsel advises is legally necessary to comply with such Laws or Governmental Authority, and (iii) assist the disclosing Party if it chooses to object to such disclosure.

Upon termination of this Agreement or at the disclosing Party's request, for any reason whatsoever and at any time, the receiving Party shall immediately return all Confidential Information of the disclosing Party within the possession or control of the receiving Party. In the event that any Confidential Information is contained in analyses, compilations, studies or other documents prepared by the receiving Party or its Contractors, other than Confidential Information which the receiving Party has been given permission to de-identify or permission to continue to use, the receiving Party agrees to promptly destroy, and to instruct its representatives to destroy, all such items and certify to the disclosing Party that such destruction has occurred. A receiving Party and its representatives shall be permitted to retain a single set of Confidential Information of the disclosing Party for the archival purposes of the receiving Party or as otherwise required by applicable Laws; provided that receiving Party shall maintain the Confidential Information in accordance with this Article VIII after termination.

8.6 Remedies. Any unauthorized disclosure or use of Confidential Information would cause Contractor or District immediate and irreparable injury or loss that may not be adequately compensated with money damages. Accordingly, if either Party fails to comply with this Article VIII (Confidentiality), the other Party will be entitled to specific performance including immediate issuance of a temporary restraining order or preliminary injunction enforcing this Agreement, and to judgment for Losses caused by the breach, and to any other remedies provided by Law or in equity.

8.7 Confidentiality of Covered Drug Rates and Programs. District acknowledges and agrees that the rates at which Contractor pays Participating Pharmacies for Covered Drug constitute highly proprietary and confidential information. As a result, District agrees that such information shall be disclosed only to District's essential personnel and used by such essential personnel solely to perform accounting and payment functions relating to this Agreement. District shall advise such personnel of the proprietary and confidential nature of this information and shall be responsible for its personnel's compliance with the requirement for confidentiality. The term “gag clause” shall have the meaning ascribed under the CAA and any implementing regulations or guidance documents.

8.9 **Intellectual Property Rights.** Contractor and District each own and shall remain the sole and exclusive owner of all right, title and interest in and to its Intellectual Property. Neither Party is granted any right or license to, and shall not be permitted to use, the other Party’s Intellectual Property in any manner or for any purpose except as pre-approved in writing. The Parties shall jointly agree on the use of the other’s Intellectual Property or words or phrases identifying the other Party in any promotional or other materials, any advertisements identifying the other Party, or in any public announcement or press release, including joint agreement as to the timing and content of any public release.

9.3 **Indemnification Procedure.** The Party seeking indemnification ("**Indemnified Party**") shall notify the other Party ("**Indemnifying Party**") in writing, within thirty (30) days of actual knowledge of the Loss for which the Party is seeking indemnification under this Agreement. Failure to provide such timely notice shall not result in waiver of these rights with respect to such claim, action or proceeding unless such failure results in material prejudice to the rights and defenses of the Indemnifying Party; *provided however*, that if the Indemnified Party fails to give timely notice, the Indemnifying Party shall not be liable for any costs or expenses related to the delay incurred by the Indemnified Party prior to said notice. The Indemnified Party must permit attorneys and personnel authorized by the Indemnifying Party, at the Indemnifying Party's sole discretion and cost, to participate in the defense of such claims or lawsuits; provided that the attorneys chosen are acceptable to the Indemnified Party. Each Party waives any right it may have to assert the doctrine of *forum non conveniens* or similar doctrine or to object to venue with respect to any proceeding brought in accordance with this Section.

11.14 **Rights and Remedies.** No right or remedy contained herein is intended to be exclusive of any other right or remedy contained herein or provided by Law, and every such right or remedy shall be cumulative and not alternative. Compensation Disclosure

Marsh & McLennan Agency LLC (“MMA”) prides itself on being an industry leader in the area of transparency and compensation disclosure. We believe you should understand how we are paid for the services we are providing to you. We are committed to compensation transparency and to disclosing to you information that will assist you in evaluating potential conflicts of interest.

As a professional insurance producer, MMA and its subsidiaries facilitate the placement of insurance coverage on behalf of our clients. As an independent insurance agent, MMA may have authority to obligate an insurance company on behalf of our clients and as a result, we may be required to act within the scope of the authority granted to us under our contract with the insurer. In accordance with industry custom, we are compensated either through commissions that are calculated as a percentage of the insurance premiums charged by insurers, or fees agreed to with our clients.

MMA engages with clients on behalf of itself and in some cases as agent on behalf of its non-US affiliates with respect to the services we may provide. For a list of our non-US affiliates, please visit: <https://mma.marshmma.com/non-us-affiliates>. In those instances, MMA will bill and collect on behalf of the non-US Affiliates amounts payable to them for placements made by them on your behalf and remit to them any such amounts collected on their behalf;

MMA receives compensation through one or a combination of the following methods:

- **Retail Commissions** – A retail commission is paid to MMA by the insurer (or wholesale broker) as a percentage of the premium charged to the insured for the policy. The amount of commission may vary depending on several factors, including the type of insurance product sold and the insurer selected by the client.
- **Client Fees** – Some clients may negotiate a fee for MMA’s services in lieu of, or in addition to, retail commissions paid by insurance companies. Fee agreements are in writing, typically pursuant to a Client Service Agreement, which sets forth the services to be provided by MMA, the compensation to be paid to MMA, and the terms of MMA’s engagement. The fee may be collected in whole, or in part, through the crediting of retail commissions collected by MMA for the client’s placements.
- **Contingent Commissions** – Many insurers agree to pay contingent commissions to insurance producers who meet set goals for all or some of the policies the insurance producers place with the insurer during the current year. The set goals may include volume, profitability, retention and/or growth thresholds. Because the amount of contingent commission earned may vary depending on factors relating to an entire book of business over the course of a year, the amount of contingent commission attributable to any given policy typically will not be known at the time of placement.
- **Supplemental Commissions** – Certain insurers and wholesalers agree to pay supplemental commissions, which are based on an insurance producer’s performance during the prior year. Supplemental commissions are paid as a percentage of premium that is set at the beginning of the calendar year. This percentage remains fixed for all eligible policies written by the insurer during the ensuing year. Unlike contingent commissions, the amount of supplemental commission is known at the time of insurance placement. Like contingent commissions, they may be based on volume, profitability, retention and/or growth.
- **Wholesale Broking Commissions** – Sometimes MMA acts as a wholesale insurance broker. In these placements, MMA is engaged by a retail agent that has the direct relationship with the insured. As the wholesaler, MMA may have specialized expertise, access to surplus lines markets, or access to specialized insurance facilities that the retail agent does not have. In these transactions, the insurer typically pays a commission that is divided between the retail and wholesale broker pursuant to arrangements made between them.
- **Medallion Program and Sponsorships** – Pursuant to MMA’s Medallion Program, participating carriers sponsor educational programs, MMA events and other initiatives. Depending on their sponsorship levels, participating carriers are invited to attend meetings and events with MMA executives, have the opportunity to provide education and training to MMA colleagues and receive data reports from MMA. Insurers may also sponsor other national and regional programs and events.

Client Services Fee Agreement

- **Other Compensation & Sponsorships** – From time to time, MMA may be compensated by insurers for providing administrative services to clients on behalf of those insurers. Such amounts are typically calculated as a percentage of premium or are based on the number of insureds. Additionally, insurers may sponsor MMA training programs and events.

We will be pleased to provide you additional information about our compensation and information about alternative quotes upon your request. For more detailed information about the forms of compensation we receive please refer to our Marsh & McLennan Agency Compensation Guide at <https://www.marshmma.com/us/compensation-guide.html>.

[v2022-09]

Fresno Unified School District
Board Agenda Item

BOARD MEETING DATE: March 25, 2026

ACTION REQUESTED: APPROVE

TITLE AND SUBJECT: Approve Property, Liability, and Cyber Insurance for the 2026/27 Fiscal Year

ITEM DESCRIPTION: Included in the Board material is a summary of quotations received from the district's insurance broker, for the district's various forms of coverage. Due for renewal is coverage related to property, general liability, designated lessees, excess liability, cyber and professional liability requirements. The policy period will extend from April 01, 2026, through March 31, 2027.

Annually the district utilizes its broker to conduct a marketing effort for all lines of coverage.

The district's current property policy provides coverage for property losses up to the limits of the district's statement of values. The district currently insures property/assets valued at approximately \$2.5 billion. The annual premium payment is subject to change dependent upon new construction/modernization projects completed during the policy year and the district's loss history. The 2026/27 premium reflects a decrease as the property market stabilizes and the district reported no new property losses during the current year.

The annual premium for general liability and excess liability coverage is increasing. This cost increase stems from an increase in claims across the general liability and excess liability markets in California, combined with the district's loss history. Generally, the insurance marketplace is restricting coverage and capacity due to increased litigation, large awards, and claims arising from large auto fleets, and employee misconduct.

Over the past year, the cyber market has continued to experience significant increases in cyber extortion events and the loss amount related to them. With insurers wanting to manage their loss for this challenging environment, underwriters are scrutinizing client security protocols.

Staff recommend placing the 2026/27 coverage with an expected increase in cost. Actual placement will be clarified with the Board on or before March 17, 2026.

FINANCIAL SUMMARY: Sufficient Funds are available in the Workers' Compensation and Risk Management Internal Service Funds.

You are directed to make the following changes in this Contract:

Item 1-1

Slurry Mix Patch at UV Concrete Cutouts

DESCRIPTION OF CHANGE:

Provide all labor, materials, and equipment required to fill the cutouts within the existing concrete under the new unit ventilators that were used to run utilities and piping to the units from under the existing floor. The cost of \$1,642.00 will be deducted from the bid allowance for unforeseen utilities.

REASON FOR CHANGE:

During construction, existing cutouts were discovered in the concrete floor to accommodate the existing piping and utilities for the old unit ventilators. To mitigate damage to the newly installed unit ventilators, it is crucial that these cutouts be filled with a slurry concrete mix to stop rodent intrusion.

CHANGE CATEGORY:

Unknown, Unforeseeable, Hidden condition.

REASON FOR CHANGE:

Due to the replacement and upgrade of the campus EMS, and the incompatibility of the controllers for existing units, the new devices are required for proper function and system monitoring throughout the entire campus.
