business enteprise sign language chess juggling podcasting

CCF

You see...

UNIFORM, DRILLS AND TRAINING

We see...

LEADERSHIP, RESPONSIBILITY, HUMILITY

Did you know?
In addition to traditional military qualifications, cadets can earn an additional 4 GCSE's through the CVQO Public Services BTEC scheme, attend nationally recognised leadership awards, qualify as a pilot, or gain nationally recognised first aid and navigation qualifications.

duke of edinburgh award adventure training overnight exercises
camps flying days competitions shooting drills

OUTDOOR EDUCATION

You see...

KAYAKING AND CLIMBING

We see...

COURAGE, PROBLEM SOLVING PLANNING

kayaking rope work climbing caving orienteering
dry stone walling mountain biking mountain bike trail building

OUTSTANDING FACILITIES

All of this happens across 215 acres of stunning Yorkshire countryside, where you'll find 500 years of heritage and exceptional modern facilities.

all weather pitch indoor climbing wall chapel ceramics studio
shooting range design centre observatory professional theatre
mountain bike course fitness suite swimming pool fives courts

EXPERT LED

Our programme is built on expert staff knowledge and pupil initiative. Staff set the foundations, and pupils take ownership, lead peers, and develop essential leadership skills.

Pete Keron leads our Outdoor Education provision. His passion for the outdoors began with kayaking, and he has represented Great Britain five times at the World Championships as well as winning three National Championships.

PUPIL DRIVEN

As they progress through the school, pupils take on leadership roles that help shape, run and sustain CASE activities, mentoring younger pupils and ensuring the programme continues to thrive through genuine pupil ownership.

PREP SCHOOL

CASE starts early at Giggleswick. In the Prep School, co-curricular learning is part of everyday life, not something to wait for later. Reception to Year 2 pupils enjoy optional clubs every day from 4–5pm, opening doors to new interests and experiences. From Year 3 to Year 6, CASE sessions are timetabled, ensuring every child gets the chance to take part, try new things, and grow in confidence and independence.
