**ALBRIGHT COLLEGE SPRING 2026 FINAL EXAM SCHEDULE.**

Tuesday, April 28, 2026 to Friday, May 1, 2026

Please review the exam schedule carefully to confirm the days and times for your exams. As per the exam policy, students are expected to take their final examinations as scheduled. Accordingly, students should not make plans to leave campus before the last final examination period. All in-person undergraduate courses have been assigned a two-hour block during the exam window. All courses that meet By Arrangement have By Arrangement exam times. Please check with your instructors to confirm the date and time of your exam. *No student is required to take more than two regularly scheduled final examinations on any one day.* Any student who has three or more examinations scheduled on one day is responsible for talking to and submitting a written request for rescheduling to each instructor at least two weeks before the beginning of the first scheduled final examination to reach a solution. If none of the instructors agree to reschedule, the student must contact the chief academic officer at least one week before the beginning of the first scheduled final examination to reach a solution.

Accordingly, students should not make plans to leave campus before the last final examination period. All in-person undergraduate courses have been assigned a two-hour block during the exam window. All courses that meet By Arrangement have By Arrangement exam times. Please check with your instructors to confirm the date and time of your exam. *No student is required to take more than two regularly scheduled final examinations on any one day.* Any student who has three or more examinations scheduled on one day is responsible for talking to and submitting a written request for rescheduling to each instructor at least two weeks before the beginning of the first scheduled final examination to reach a solution. If none of the instructors agree to reschedule, the student must contact the chief academic officer at least one week before the beginning of the first scheduled final examination to reach a solution.
