

VISION STATEMENT

The first choice
for a second chance
to build a better future
through education

MISSION STATEMENT

Our mission is to provide an opportunity for students across North Georgia to earn an accredited high school diploma in a student-centered, self-paced, evening public high school.

Mountain Education (ME) is committed to:

- partnering with local school systems, families, and community members to nurture educational excellence
- engaging students in meaningful learning with personalized graduation coaching, preparing them for college or career
- offering course credit recovery for students to stay on track for graduation
- providing dual enrollment opportunities to jump-start the college experience

WHO ARE OUR STUDENTS?

Students find their place at Mountain Education (ME) for a variety of reasons. ME is a great option for students who:

- need flexible attendance for life circumstances
- need to work during the day
- have fallen behind in school
- need to care for children
- want to get ahead in their high school credits
- are looking for individualized learning
- have dropped out of high school

Whether a student currently feels left behind or would like to get ahead, Mountain Education is the place for them.

WHAT IS MOUNTAIN EDUCATION (ME)?

Mountain Education (ME) is a non-traditional evening high school that also partners with local districts. Campuses are open in the evening and virtual support is available during the day.

Mountain Education (ME) has multiple locations across North Georgia, offering a full range of high school courses. Tuition is 100% free for students enrolled at ME full-time.

DISCOVER A NEW PATH TO LEARNING

Mountain Education (ME) understands that every student has unique strengths and challenges and learns at their own pace. ME offers self-paced and mastery-based learning through our teacher created courses that are aligned with state standards. Curriculum is delivered through custom course software and instructional materials and is facilitated by professionally qualified, certified educators.

Students complete all state graduation requirements, including mandated tests. Graduates of ME earn a Cognia accredited Georgia High School Diploma that is NCAA approved.
