Plan on Attending or Accepted at which College, University, or Technical School(s):

Short Essay: Describe your involvement in serving others, and any plans for such activities in the future. This can include activities at school, in the community, with religious organizations, or other actions beneficial to peoples' lives.

Optional Additional Short Essay: Is there anything you would like to tell us about complexities or difficulties in your life or academic journey – challenges you have needed to overcome, experiences that have been particularly meaningful to you, or other ways in which you have grown or developed in important ways.

Financial Need Explanation: Is there any information about your financial situation that you would like us to know when considering your application? If available, please provide your Student Aid Index – SAI (from the family’s current FAFSA Report) or a written estimate from a college. *Verification may be requested.*
