# IMPORTANT INFORMATION

## AMERICANS WITH DISABILITIES ACT

The South Milwaukee Recreation Department is an equal opportunity agency and will not discriminate regarding its services, programs, and activities regardless of race, color, religion, gender, national origin, age, or disability. If a person with a disability needs a reasonable accommodation to participate in a general recreation program, the request may be made to the Recreation Department Staff. Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals.

## VOLUNTEER OPPORTUNITIES

While volunteering is a great way to have a meaningful, positive impact on your community, it's also a great opportunity for you to gain valuable life experience and skills while meeting interesting people. No matter what our skills are, we can use our talents to help others. Please contact the Recreation Department. We will be happy to assist you in connecting with the right volunteer opportunity.

## CLASSES CANCELED

Those are the words we don't want to say, but it happens when everyone waits until the last minute to sign up. If there are not enough registrants, the class will be canceled. If you see something you like, sign up early. It's the only way we know if the class will go! Thanks for your cooperation!

## MESSAGE TO PARENTS

Parents are reminded to pick their children up at the completion time listed for the activity they are participating in. Staff are not responsible for participants once their class is completed (they are also not paid to wait for parents who are late in picking up their children).

## NON-DISCRIMINATION

The School District of South Milwaukee is committed to providing equal educational opportunities for all district students and to providing a learning and working environment free of discrimination based on a protected class of sex, race, religion, national origin, color, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional, or learning disability or handicap. No student may be denied admission to, participation in, or the benefits of any school in this district; nor may they be discriminated against in any curricular, extracurricular, student services, recreational, or other programs or activities based on the protected classes listed above. Suppose any student believes that they have been discriminated against based on a violation of Title VI, Title IX, Section 504, or the Americans with Disabilities Act or based on an above category. In that case, the student should first attempt to resolve the situation through the building Principal or Associate Principal. Formal written complaints may be directed to Jennifer Sielaff, Director of Personnel, Administrative, and Legal Services, at 901 15th Avenue, South Milwaukee 53172. The phone number is 414-766-5011 (Please see Policy 411 and Rule 411 for specific steps and timelines).
