- Member Items
    - How is recess going?
        - Are the kids inside due to the snow? Depends on the teachers who are on lunch duty. Up to their discretion. There is no minimum temperature to keep us indoors.
    - Indoor options - Depends on the period - Library, Gym, Auditorium
        - Kids are just sitting on the chromebooks.
        - It is their time, choice activity.
        - When outdoors, they leave their chromebooks indoors.
    - New no backpack policy has been working out.

- AMS Grading Reference Guide (one-pager)
    - Reviewed document and made edits

- Student Guidelines for AI Use
    - Discussed the various DW groups focusing on the topic/platforms
    - Looked at the AI Student Guidelines document that was shared at today's faculty meeting
        - Parent feedback
    - Students are using it, can't deny it
        - Let's lead it and come up with something for students to use to discern if they are cheating or not
